

BAND SWEETHEART—Marolyn Reynolds was revealed band sweetheart for the Hamlin High School Band Friday evening during halftime ceremonies of the Hamlin-Winters football game. She is pictured above with her sister, Carolyn, left, Mary Margaret Turner, daughter of Mr. and Mrs. J. C. Turner, and Mary Lois Patterson, right, daughter of Mr. and Mrs. LaFoy Patterson, the other nominees. Marolyn and Carolyn are daughters of Mr. and Mrs. Cliff Reynolds Jr. David Drummond placed the sweetheart's crown and Jack Townley Jr. presented each nominee with a nosegay. Miss Reynolds received a bouquet of red roses.

Nancy Ford Selected as Hamlin FFA Chapter Sweetheart Thursday

Nancy Ford, daughter of Mr. and Mrs. H. L. Ford of Route 1, Hamlin, has been elected Sweetheart of the Hamlin FFA Chapter for the 1964-65 school year. Nancy is a senior in Hamlin High School and active in many school activities.

She has been an active member of the Hamlin Chapter of Future Homemakers of America for four years. She was a delegate to the State FFA Convention her freshman and junior years. She is currently vice president of the Hamlin FFA Chapter and is working on her state FFA Degree. Other homemaking activities include entering the national "Make It Yourself with Wool" contest.

Nancy is an active member of the Hamlin Pep Squad. She has been a member of this organization for four years, was a cheerleader her junior year in high school, and is presently head cheerleader. She attended the SMU Cheerleading School both her junior and senior years.

Nancy is currently reporter for the Student Council and has been a member of this organization for two years. She has attended various district and state Student Council meetings.

Nancy is also active in the National Honor Society, the Spanish Club, and the Library Club. Last year she was reporter for the Library Club. She has been on the "A" honor roll all through high school.

Other school activities include Piper Queen nominee as a freshman, treasurer of the freshman class, treasurer of the sophomore class, secretary-treasurer of the junior classes, and Citizen of the Month for October her junior year. Also,

NANCY FORD
... FFA Sweetheart

she attended Girl's State, has entered the district UIL typing contest, and is secretary of the senior class. Earlier this fall Nancy was selected as Homecoming Queen of Hamlin High School.

During her reign as the Hamlin FFA Sweetheart, Nancy will serve as hostess for the Stamford District FFA Leadership Contests at Hamlin Nov. 12, enter the Stamford District Sweetheart Contest next spring, and represent the Hamlin FFA Chapter as its candidate in competing for the Sweetheart of the West Texas Fair and Queen of the Jones County Fair next fall.

Jones County 4-H Banquet to Be Held in Anson Tuesday

The Seventh annual Jones County 4-H Banquet will be held in the Anson Grade School cafeteria at 7:00 p.m., Tuesday night, Nov. 17, according to County Extension Agents, Mary Y. Newberry and Kirby Clayton.

Awards will be presented to forty 4-H Club boys and girls for the past year's work.

Awards will be given in swine, beef, dairy, clothing, entomology, garden, foods, safety, recreation, leadership, conservation, home economics and public speaking.

Adult leaders who have served for 5 years will be presented special certificates in recognition for their services to the 4-H Club program.

Bridge Winners

Duplicate Bridge Club Winners Tuesday night were Mr. and Mrs. Starr Inzer, first; Mr. and Mrs. Grady Bowdry of Stamford, second; and Mrs. W. O. Wilbanks and Mrs. W. L. Hunter Jr., third.

The club meets every Tuesday night at the Oil Mill Guest House.

Singing Sunday

The third Sunday singing will be held Sunday, Nov. 15, at 2:30 p.m. in the Foursquare Gospel Church.

Everyone is invited.

FERGUSON INJURED—

Pipers to Finish Season Here Friday with Anson

The Pied Pipers suffered the loss of their starting quarterback Tommy Ferguson in Monday afternoon's practice as they prepare to host their arch rivals, the Anson Tigers, here Friday in the final game of the season. Ferguson broke his collar-bone and will not see any action Friday night.

Coach D. C. Andrews, whose Pipers have been plagued with injuries this year, plans to move Johnny Overman back to the man-under slot and will try Rupert Compton back in his full-back position. Overman moved to fullback early in the season when Compton received an injured knee.

Robert Pearce and Larry Simpson were both favoring their knees in Monday's session but are expected to see at least limited action Friday.

The Pipers go into the game with a 6-3 season record and the Tigers own a 7-2 record. Both teams are out of the district race — Anson with losses to Stamford and Ballinger, and Hamlin with losses to Stamford, Ballinger and Winters.

Scouting reports show that Anson has a real fine defensive

team that likes to play ball-control football. With most of their team back from last year they have the experience to be a real strong club.

The Tigers run to the outside most of the time with tailback Jerry Andrus carrying the ball three of every four downs. They do not pass very much and then only when they are behind. Both their quarterback Alan Hunt and Andrus can pass.

The probable starting lineup for the Tigers will be: Alan Hunt, 178 pounds, at quarterback; Andrus, 154 pounds, at tailback; Daril Pineda, 190 pounds, at fullback; Mike Pueschell, 160 pounds, at wingback; Tommy Jones, 201 pounds, at left end; Clifford Oden, 180 pounds, at left tackle; Don Jones, 156 pounds, at left guard; David Reeves, 170 pounds, at center; Eddie Farnsworth, 164 pounds, at right guard; Larry Mayfield, 185 pounds, at right tackle; and Joe McCaleb, 156 pounds, at right end.

Herald Named Camp Fire Toy Collection Depot

The Hamlin Herald has been selected as the collection station for used toys to be distributed to needy children at Christmas according to Mr. and Mrs. Miller Harmon who were named to head the project by W. L. Hunter Jr., president of the Hamlin Camp Fire Council.

The Council voted last week to sponsor the project.

Everyone with used toys is urged to bring them early to the Herald office so they may be prepared for distribution. Mrs. Harmon also mentioned that anyone who could help with the project would be needed. Further information may be obtained by calling SP 4-2463.

Volunteers will be needed to help do necessary mending of repairable toys and making doll clothes. Plans will be made later for work sessions.

Toys will be placed in the window of the Herald office.

The Albritton Building will be used to store the toys and as a place to work during the project.

Elected Booster Club President

Sam Ferguson was elected president of the Pied Piper Booster Club Monday evening succeeding Bernie Cumble.

Other officers are Lewis Woolf, vice president; Burt Oliver, secretary; Raymond Seifres, Bill Chapman, Pearce Davis, and Cumble, directors.

Bake Sale Saturday

The Camp Fire Girls will have a bake sale downtown Saturday from 9 to 12 a.m. in front of McDonald's Department Store.

Home baked pies and cakes will be featured.

Carl Benefil of Amarillo, one of the partners of the Rogue Theatre passed away in Amarillo Nov. 8. Funeral was held there Wednesday.

an have recently moved to Atlanta from Greenville where he is manager of a new plant being built by Henson-Kickernick. Cowan was plant manager at Greenville. Products are being made in a temporary building and will be in a new building soon. Mrs. Cowan is the former Lusara Dean.

Jaycee Air Show Well Attended

The skydiving exhibition held at the Hamlin Municipal Airport Sunday afternoon was termed a success by those responsible for the afternoon's activities.

Four jumpers from the Sky Blazers Sport Parachute Club of Abilene presented a show demonstrating their skill in "free fall" jumping for the large crowd.

The Hamlin Jaycees assisted in parking spectators and were in charge of concessions.

The jumpers were Paul Ross, Joseph Grafton, James Antonious and Marvin Miller, all stationed at Dyess Air Force Base, Abilene.

The sport parachute club uses the Hamlin airport as their base.

B-Team to Host Merkel Tonight

The Merkel B Team will play the Hamlin B Team here Thursday (today) at 7 p.m. at Piper Stadium.

The Hamlin boys played in Merkel last Thursday winning 20-6.

The B Team is coached by Dan Truelove.

Organization Formed to Control Boll Weevils on Rolling Plains

The steering committee of the Rolling Plains Cotton Growers, Inc. held an organizational meeting in Stamford Friday, Nov. 6, at which members were named to county committees in most of the 28 counties in Texas and Oklahoma which are covered by the association.

The group also adopted an outline of objectives and purposes for the newly organized association, which primarily grew out of a desire on the part of producers in the Rolling Plains area to control the boll weevil and other harmful cotton insects.

According to the steering committee's president, Sam Reed, Northern Star Seed Farm, O'Brien, the following are the objectives and purposes adopted by the committee:

"To promote and protect the interests of Rolling Plains cotton producers; to foster improvement of the conditions under which cotton is produced and sold with special emphasis to control of the boll weevil and other pests; to promote a coordinated program of sound information which will include management practices by the growers that will assist in a better control program at a reasonable cost; to cooperate with and support established organizations in the cotton industry and general agricultural organizations in finding and pursuing reasonable and appropriate approaches to problems of mutual interest; to do all things else that may seem reasonable and appropriate for improving the conditions under which Rolling Plains cotton and cottonseed are produced and sold, and for promoting the welfare and protecting the interests of cotton

producers provided, that this Corporation will not engage in the business of buying or selling of cotton or cottonseed of their products."

Members of the steering committee from Jones county are: J. L. Hill Jr., General Manager of Stamford Production Credit Association, and A. J. Mills, General Manager of Stamford Cotton Oil, Stamford, Texas.

Named to the county committee for Jones county at the Friday meeting were Hollis Madden, Jack Morrow and Johnny Hansen.

Counties included in the Rolling Plains Cotton Growers area are: Baylor, Childress, Cottle, Fisher, Foard, Hardeman, Haskell, Howard, Jones, King, Knox, Mitchell, Noland, Runnels, Scurry, Stonewall, Taylor, Throckmorton, Wilbarger, Concho, Coke and Tom Green Counties in Texas, and Harmon, Jackson and Tillman Counties in Oklahoma.

Attending Friday's meeting of the steering committee from Jones County were J. L. Hill Jr. and A. J. Mills.

About one enumerator for each 150 farms will be needed.

Shortly after November 9, the Bureau of the Census, an agency of the U. S. Department of Commerce, will start the second stage by mailing agricultural census questionnaires to rural boxholders in the county. This will give farm and ranch operators, who are required by law to fill out the forms, a period of time to consult their records and fill in answers to the questions.

In the final stage, enumerators will visit each farm in the county to collect the questionnaires. At the time of this visit, the enumerator will help farmers complete answers to any questions the farmers may have had difficulty with. Enumerator visits are scheduled to begin in this county on November 23. Enumerators will take about three weeks to complete their work, the crew leader estimates.

The Census of Agriculture is taken every five years in the years ending in "4" and "9" to gather up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventory, information on farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

Piper Band to Enter Marching Contest

The Hamlin Pied Piper Band will journey to San Angelo Saturday for U. I. L. Marching Contest. The band will undergo individual inspection at 2:50 p.m. and perform at 3:23 p.m.

The first requirement for being a sweepstakes band is to receive a Division I rating on marching and inspection.

The majorettes will also participate in twirling solo and ensemble contest Saturday.

Several Attend Cancer Meeting

Mrs. Kenneth Riddle, Mrs. Lorraine Owen and John Scarborough attended the Jones County Cancer meeting held at Jack's Steak House in Anson Monday evening.

The next meeting will be held Jan. 11 to make plans for the April Cancer Crusade.

Eighteen persons attended from Anson, Lueders, Hamlin, Stamford and Avoca.

Rev. Spencer Liles Makes Hole in One

Rev. Spencer Liles made a hole-in-one at Lakeview Golf Course Monday morning on the number eight hole. He was shooting into the wind with a number five iron. The ball went in on the fly.

Adult Sewing Class To Start Monday

An adult clothing construction class will begin at Hamlin High School Monday at 10:30 a.m. Monday, according to Mrs. Camille Simmons, homemaking teacher.

The class has been arranged at the request of several adults who are interested in attending a sewing instruction class.

Definite plans for the course will be made Monday morning.

FOR GENERAL ELECTION—

Election Costs Run from 35¢ To \$2 per Vote in County

The cost of holding Tuesday's election in Jones County ran from a low of about 35 cents per vote to a high of more than \$2.00, a check with County Judge Leon Thurman Monday revealed. General election costs are borne by the county.

The 35-cent figure was the county average and the high of \$2.00 was in the Wilson box. However, this high figure would be just slightly less in five other boxes where the total vote cast was less than 30.

Judge Thurman explained that the minimum cost of election officials at a voting box is \$32, with this figure running higher in the latter boxes.

Broken down, the expenses

Tuesday ran something like this: Election officials, \$1420, Ballots and supplies, \$207.15; additional ballots, \$14.25, for a grand total of \$1698.40.

But there are other costs which cannot be determined. There is the matter of preparing the supplies for distribution to the boxes, the actual distribution by members of the sheriff's department and the cost of taking care of the absentee ballots in the county clerk's office.

There is no immediate available record of the total number of persons casting ballots. It has been reported that this figure is well over 5,000 but the total votes counted in the gov-

ernor's race was 4,876. Using these two figures — \$16.48, and 4,876, the cost figure of 34.8 cents per vote is obtained.

Although voting was heavier than anticipated, six boxes recorded a vote of less than 30. These were Sinclair, 26; Truby, 29; Goland, 17; Wilson, 16; Compre, 28; and Shilo, 21.

It was necessary to transfer ballots from one box to another to meet the demand on several occasions, and late Tuesday afternoon, some additional ballots were printed.

The commissioners court, at the regular session Monday, canvassed the returns and found them substantially the same as the unofficial totals.

PERFORMERS IN ASSEMBLY THURSDAY—The Junior Class had their version of Peter, Paul and Mary in the assembly presented for the high school Thursday. Pictured, left to right, are Judy Jenkins, Jane Ferguson and Jan Albritton, who presented the skit. (Photo by Tim Jones)

Highway Commission Launches Huge FM Road Improvement

AUSTIN — The Texas Highway Commission today acted to protect the investment of Texas taxpayers in their 37,000-mile Farm and Ranch to Market Road system by approving \$18,090,200 for betterment in 1965.

A total of 3,305 miles of these all-weather roads will be improved under the 1965 Farm to Market Road Improvement Program to be executed in coming months by the Texas Highway Department.

Commission Chairman Herbert C. Petry Jr. said traffic increase and heavier loads, coupled with the age of many of the rural roads in Texas, are big factors in the need for periodic "resoling" of many F-M roads.

Under the budget approved today, 353 F-M miles will be reconstructed with new grading, structures and surfacing; 338 miles will be widened, reconditioned and resurfaced; 679 miles will receive additional surfacing, and seal coat improvements will be made on 1,924 miles.

Extensive bridge widening and shoulder improvement work is also included in the list of improvements scheduled for Farm to Market Roads under the 1965 program, Petry said.

Today's improvement budget was in addition to a \$23 million Farm to Market Road construction budget approved by the Commission in May for new F-M road construction.

The Highway Department will spend about \$22 million next year for routine maintenance.

ance — in addition to extensive betterment covered in today's action — on the F-M system.

Of the total completed F-M Road system in Texas, 33,560 miles are rural and 1,085 miles are within city limits. An additional 2,469 miles are under construction at this time or financed for construction in coming months.

Since 1948 the Texas Farm to Market Road system has grown from 3,060 miles to the designated system of about 37,000 miles today. An ultimate F-M system of 50,000 miles is envisioned for Texas by the Highway Commission.

Charles T. Smith Promoted in Rank

Charles T. Smith, 23, was promoted to the rank of specialist Five at the John F. Kennedy Center for Special Warfare, Ft. Brag, N. C., on Oct. 28.

Sp 5 Smith of Headquarters and Headquarters Company is a legal clerk with the staff judge advocate's office at the Kennedy Center. He entered the Army in 1962 and completed basic training at Fort Chaffee, Ark.

Sp 5 Smith attended Jacksboro High School and Tarleton College. He is the son of Mr. and Mrs. V. E. Smith, 249 Northwest Ave. J., Hamlin.

THE HAMLIN HERALD

Established in November, 1906

Published Every Thursday at The Herald Building, Hamlin, Jones County, Texas, by the Pied Piper Publishing Company, 340 S. Central Telephone SP 4-1606

Entered at Post Office at Hamlin, Texas, for transmission through the mails as Second Class matter according to an Act of Congress on March 3, 1879.

TAKE A NUMBER

(we'll find the city)

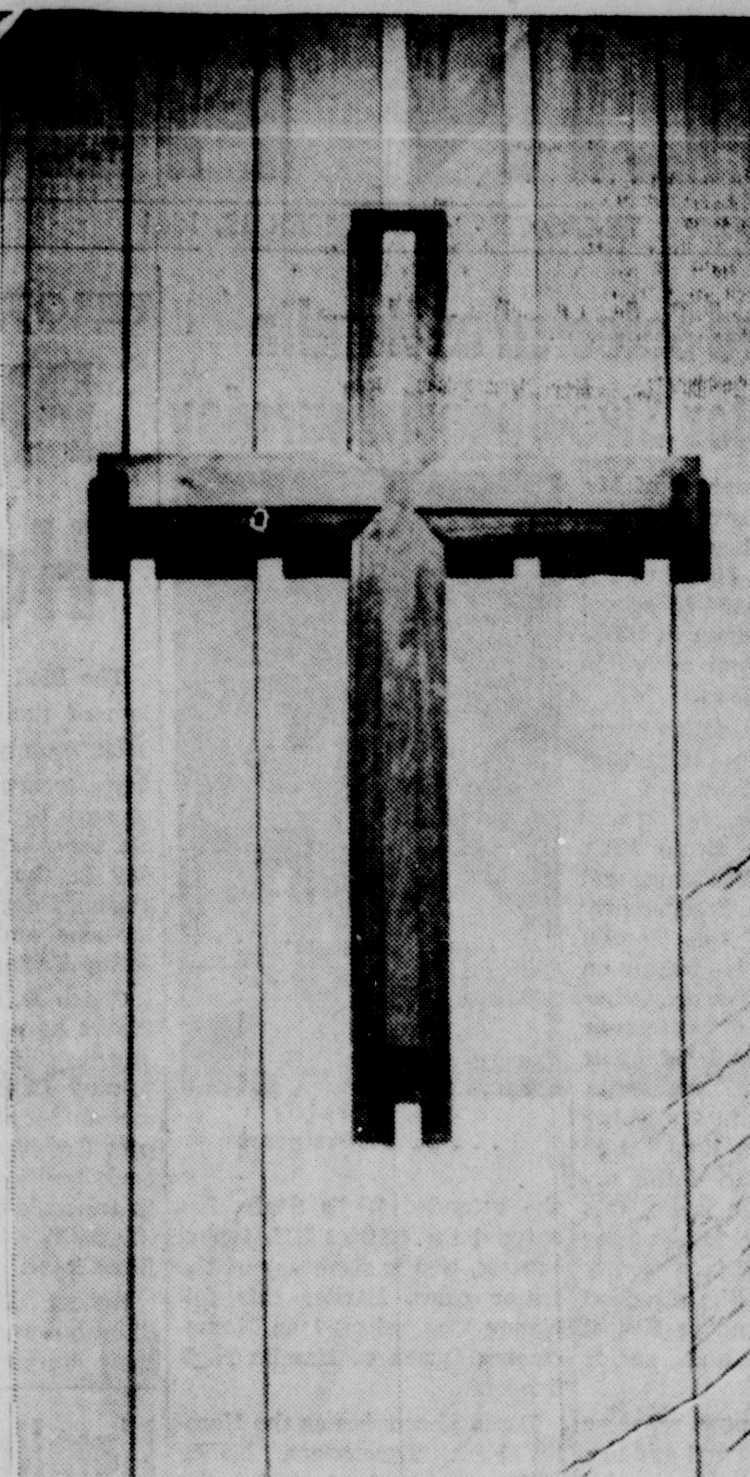

Give your Long Distance calls a flying start . . . use Area Codes!

When you place a Long Distance call with the operator, give her the Area Code of the city you want, then give her the number you're calling. You'll save yourself precious waiting time on the line. You'll get your call through faster, easier.

Area Codes for most cities are listed in the front section (white pages) of your telephone directory. Or you can get them from the Long Distance operator—any time—and jot them down for future reference.

Southwestern Bell

A Look at the Cross on THANKSGIVING

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted."

"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

"All we like sheep have gone astray: we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all." Isaiah 53:4-6

Our prayer this Thanksgiving Season is that everyone will attend the house of God, giving thanks unto him for his great gift, which is eternal life through his son.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

OLD GLORY...

By Judy White

Basketball:

Old Glory basketball teams played Avoca in the Avoca Gym on Tuesday night Nov. 3. Old Glory girls bested the Avoca team 43 to 23. The Avoca boys beat our team 59 to 44.

The Grade School teams were successful in defeating the Girard teams when they met in the local gym on Monday, Nov. 2. The girls won 43 to 7. Reva Letz was the highpoint girl with 16 points. The boys score was 44-33. Russell Letz paced Old Glory with 18 points.

On Nov. 5 the Old Glory Grade School teams traveled to Noodle to win a 41 to 12 victory for our girls, with Judy Sander netting 17 points for our team. The boys teams tied 19-19 but Old Glory boys were successful in the overtime the final score was Old Glory 25 and Noodle 22. Rickey Boles made 9 points for our team.

Variety Club:

The Variety Club members honored their husbands at the club's annual Thanksgiving party and turkey supper in the school cafeteria Friday night, Nov. 6.

Following the supper games of 42 and 84 were played. Mrs. Ray Bridges was the recreational chairman.

TRAVEL TALK— JERUSALEM, CITY OF MANY PARADOXES

Jerusalem, City of Paradoxes
By Hulin Fowler

Editor's note: Fifth in a series of articles on the Holy Lands. Write to Mr. Fowler in care of this newspaper for answers to your travel questions.

Jerusalem is a city of paradoxes. It is traditionally a Jewish city, yet untenable by the Jews. Its Christian shrines are controlled by Moslems. A single shrine in the city is called holy by both Christians and Moslems alike. It is traditionally a city of peace, yet torn asunder by wars since the Jews were expelled by the Romans in 137 A.D.

As our four-engine plane skirted around Israel we thought how strange it was that we were not permitted to fly over the land of the Jews on our way to Jerusalem.

But the Old Jerusalem that we were to visit belongs to Jordan, an Arabic state primarily Moslem. It is separated from New Jerusalem, in Israel, by a forbidding expanse of barren land with barbed wire and land mines. The city, divided, forms the barrier between the two nations.

Jerusalem is a walled city, a natural fortress that has been the prize of conquering armies since the days of Nebuchadnezzar. As early as 2107 B. C. it was historically recorded as

the city named Salem by Melchizedek. Strife after strife ripped the city asunder, until in 1947-48, it was split by the Palestine War that left it under Arab control to this day.

Despite its history of violence, when we entered the walls of this holy city a feeling of peace came over us that is said to be general among visitors. Certainly it was no different, really, than any other Arabic city we had visited, reminiscent in fact of far-reaching Cairo and Damascus. Yet, in Jerusalem we felt safe, even alone at night.

Perhaps it is because Jerusalem is rather quiet for an Arabic city. There are no bars, no night clubs, no juke boxes blaring. The people — although typically Arabic in flowing robes and burnouses — were more polite. The fact that Jerusalem is the shrine of three monotheistic religions apparently had nothing to do with the peace that prevailed. The shrines — Christian, Jewish and Moslem — are controlled, quite fairly and impartially by the predominantly Moslem Jordanian government.

One of the most exciting and impressive ways to see Jerusalem is to follow the Way of the Cross that Jesus suffered on His slow and agonized way to Calvary.

The Way of the Cross, which moves across narrow cobbled streets and past odorous bazaars and marketplaces, is well marked with tablets identifying the various Stations of the Cross. A person would have to be without imagination indeed not to feel something of the tragedy of that fateful journey of the Lord.

Finally, one reaches the hill of Golgotha and then the tomb

chore rope several times around. They are canny critters, those bass. They love to run the obstacle course.

And, remember one thing... they make their living being smart. An old black bass has lots of savvy... else he would not have lived to lunker size.

From the day he is born his life is in danger. Even mama bass tries to eat him when he's a fresh-born babe. Pop's first job is to keep her away.

Once he's out on his own the young bass faces hundreds of enemies... all wanting to "gobble him up."

So, he learns fast... if he lives.

But the really great, fun-loving fishermen — those who seek not the meat of the trophy, but the fun of doing battle — they're the ones who go after bass with real light line.

True, they won't catch as many fish, or bring home many of the lunker size, but they enjoy their fishing more.

Anglers who use eight or 10-pound line are in the majority. They enjoy a scrap. But they want a better chance at bringing home something for the skillet. And usually they do. Numerically, more of the finny tribe end up on their tables.

Then there's the lunker bass fisherman. He fishes, fishes, fishes... with nothing but a trophy bass in mind.

He thinks big! A three-pound black is a minnow in his eye. He won't even mention having taken anything smaller. A four pounder is more to his liking. But, he's not after either of those. He's fishing all day and all night — every time he gets a chance — with nothing but a five, six or seven pound black in mind. He thinks big and he catches, them big.

He's the guy who thumbs a bait-casting, spool-type reel with perfection. He's an expert at casting. He's the Ambassador of fishing. He's the fellow who uses 15 to 20 pound line and no swivels.

He finally accepted monofilament line. But first only as a leader to add stretch to his trusty old braided line. But he still keeps a spool or two of braided line handy, in the tackle box, just in case.

One thing you can count on with the gent is a fully-equipped, extra rod and reel beside him in the boat, ready to use at all times. He rigs up one for top-water, the other for bottom fishing.

of Christ. A magnificent Greek Orthodox church is built over the traditional site of the crucifixion and resurrection of Jesus. Inside are the last five Stations of the Cross, including the stone slab where it is said the body of Christ was annointed after His death. The inside of the huge stone structure is adorned with jewels, gold and silver brought in gratitude by pilgrims.

Moving on to the east side of the city, we came to the Mount of Olives, where Christ met with the apostles for the last time. Nearby is the Garden of Gethsemane, where Christ prayed and spent some of His last hours on earth. Eight olive trees from the time of Christ

are still growing and bearing fruit in the Garden.

There is much to see in Jerusalem but a visit is not complete without seeing one of the paradoxes of this wonderful land, a site of significance to both Christians and Moslems alike.

It is the Mosque of Omar, more often called the Dome of the Rock. The mosque, handsomely tiled on the outside and heavy with beautiful mosaic work inside, houses a rock about 10 feet square.

The rock is the one on which Abraham was willing to sacrifice his son Isaac to God, tradition claims. It is also said that the rock was one of the stopping places of Mohammed

on his night journey to heaven. With reluctance we left Jerusalem, the city divided by warring states and feuding theologies. But there was much to be seen outside the walls.

Next week: Jericho and the Dead Sea.

Keeping Up to Date . . .

Freezer Preserves Honey

Deep freeze honey if you intend to keep it a long time.

As most homemakers know, honey kept on the kitchen shelf gets sugary and turns dark after a while. Putting honey in the refrigerator doesn't help, in fact, it crystallizes even sooner.

None of this happens to honey kept in a freezer. So, the researchers suggest you store it there. Remove only a small amount at a time — enough to last a week or two.

Dark Bones

"Are chickens with dark bones fit to eat?"

Yes, they are.

Dark bones actually are a sign of a young bird, Mrs. Newberry says. And the reason you are seeing more of them lately is because producers are marketing broiler-fryer chickens, fryer-roaster turkeys and ducklings at an early age.

Spot Removal

"Success in removing stains from upholstery fabric," says Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, "depends on fast action, the proper cleaning method, the kind of fabric involved."

She explains that common stains fall into three groups: greasy, nongreasy, and a combination of the two. She suggests that housewives faced with the problem of removing stains should pre-test a cleaning product on an inconspicuous area of the upholstery fabric in-

cluded.

Greasy stains — from butter, margarine, car lubricant and other sources — on washable fabric can be removed by using a detergent foam. Usually, however it is necessary to use a dry-cleaning solvent. Soaps, detergents, glycerine, denature alcohol and a weak solution of ammonia also are acceptable where foam rubber is concerned on nonwashable fabrics.

"Caution is advised," says Mrs. Newberry, "when using any solvent because many of them are flammable, poisonous, and may cause illness if the vapors are inhaled."

For removing nongreasy stains—from fruit, black coffee, milk, catsup and other sources—use a damp sponge wrung out of cool water on washable fabrics, or use a detergent and water foam, wiping thoroughly with a sponge wrung out of clear water.

For stains on nonwashables, explains the home agent, "a final rinse with a sponge wrung out of alcohol helps to remove the detergent and to dry the fabric more quickly. Dilute the alcohol with two parts of water for use on acetate fabrics."

To remove combination stains, the home agent recommends: First, the use of a sponge wrung out of cool water; second, the use of a detergent and water foam, which then should be removed with a spon-

Diane Bond and Terry Carter Plan Dec. Wedding

Mr. and Mrs. Alvis Bond, 602 Northwest Avenue G, are announcing the engagement of their daughter, Rose Diane Bond, to Mr. Terry Lynn Carter, son of Mr. and Mrs. A. L. Carter, 251 West Lake Drive.

The wedding will be held Dec. 18 at 7:00 p.m. in the First Baptist Church, with Rev. Byron Bryant, pastor officiating.

The bride-elect and prospective bridegroom are both graduates of Hamlin High School. Mr. Carter is attending the Stenograph Institute of Texas where he is studying to be a court reporter.

The couple will make their home in Abilene.

ge wrung out of clear water. If the spot is still visible, sponge it with a grease solvent. This treatment is the same for washable and nonwashable fabrics. Combination stains may result from ice cream, chocolate, sauces, coffee with cream and other sources.

Bleaching is not recommended by the home agent for upholstery fabrics except as a last resort, used in a very weak solution when a trace of discoloration remains.

Christmas Candies, Cookies Shown for County HD Leaders

"Christmas Candies and Cookies" was the demonstration conducted by Mrs. Marthe Harmon, Regional Home Economist for the Lone Star Gas Company of Abilene with twenty women attending the meeting in the office of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

Mrs. Harmon had attractive and practical Christmas candies, cookies, cakes and breads cleverly wrapped for Christmas gifts. These foods were displayed on a red holiday table cloth. A tree was made of wire, which was sprayed gold and decorated with red and green ribbon and holly.

The home demonstration leaders who attended and will give the program in their own Home Demonstration Clubs were Mrs. Jim Arnett and Mrs. Walter Love of the Bluebonnet H. D. Club, Mrs. Hubert Sullivan and Mrs. A. D. Hill of the Noodle H. D. Club, Mrs. Paul Bradley, Louise Hudson and Mrs. Vernon Hudson of the Stith H. D. Club, Mrs. Clyde Chancey and Mrs. Ab Hunter Jr. of the Comore H. D. Club, Mrs. Dwayne Hartwick of the Sunshine H. D. Club, Mrs. R. M. Young and Mrs. E. G. Young of the Friendship H. D. Club, Mrs. Karl Bonneaux and Mrs. D. L. Butler of the Goodman H. D. Club, Mrs. H. A. Haynes and Mrs. Mack Doty of the Willow Creek H. D. Club and Mrs. G. W. Viers of the Avoca H. D. Club.

Mrs. F. S. Hodges of Abilene was a guest.

Blue Bird Girls Visit Santa Fe Station

The Wednesday afternoon Blue Bird girls visited the Santa Fe round house and passenger station last Wednesday after permission was obtained from Agent Weldon Johnson.

Jeff Strother, who is in charge of the round house and engines, took the fourteen girls for a ride on the diesel engine to the turn table. He showed them how the turn table is used to turn the engines before going back to the round house. The electric ice maker which makes ice for the different crews was also shown to the group.

In the depot, John Kent Jones showed the girls the telephone key and how it is used. He also explained how the big Santa Fe clock is checked for accuracy every morning and how it is governed by the Naval observatory in Washington, D. C.

The girls also got to sound the big whistle on the engine before leaving.

The girls making the tour and thanking the employees for their courtesy are: Lana Acklin, Beverly Carter, Teresa Crowe, Peggy Farnsworth, Cheryl Irwin, Cynthia McMillan, Janice Miller, Janet Moran, Kim Neatherlin, Olga Rivera, Renee St. Clair, Judy Holden, Pauline Green and Terre Watson.

Adult leaders were Mmes. Howard Mehaffey, Doyle St. Clair and Charles Watson.

Sharon Wyatt Given Given Gift Tea November 3

Sharon Wyatt, bride-elect of Steve Stephens, was honored Tuesday evening, Nov. 3, with a bridal gift tea in the home of Mrs. James Simmons.

Guests were received by Mrs. Simmons and presented to the honoree; her mother, Mrs. J. D. Wyatt; mother of the prospective bridegroom, Mrs. Leona Stephens; the honoree's maternal grandmother, Mrs. O. G. Landers of Roby; and an aunt of the honoree, Mrs. W. L. Struble of Longworth.

Hostesses with Mrs. Simmons were Mmes. Loyd Burkhardt, A. A. Wade, R. D. Wade, Phil Smith, W. H. Hallmark, A. J. Winegeart, Clifford Stuart, E. W. Ueckert, and Gus Young.

The table was centered with an arrangement of white gladioli in a silver container. Silver and china appointments were used.

Smiling Blue Birds Visit Phone Office

The Smiling Blue Birds visited the Telephone Company Tuesday afternoon, Nov. 3 and were shown through the business office by Mrs. Kenneth Riddle and the plant by J. B.

Gibson. The girls each received a Blue Book for telephone numbers.

Refreshments were served at the Hut by Mrs. Howard Mehaffey prior to the tour.

Those present were Rita Casey, Donna Early, Lynda Harrison, Debbie Hix, Kimi Mehaffey, Vickie Ponder, Jacque Preiss, Rebecca Server, Kathy Smith, Debra St. Clair, Denise Tugwell, Lisa Walker, Sonja Williams, Mrs. David Casey, Mrs. Bill Early and Mrs. Charles Tugwell.

Mrs. Jack Lewis Honored with Baby Shower Recently

Mrs. Jack Lewis was honored with a baby gift shower Tuesday, Nov. 3, from 2 to 4 p.m. in the home of Mrs. A. J. Winegeart.

Those attending were Mmes. Veletta Hartley, Floyd Smith, I. D. Acklin, Bill Harrison, Wayne Hodnett, A. A. Wade, R. D. Wade, L. R. Browning J. D. Wyatt, and Joe Carlile.

Gifts were sent by Mmes. Bob Tegar, H. R. Daniell, Sam Terrell, Elmer Terrell, Ruby Shira, Shirley Ward, Earl Crow, F. M. Crow, John O'Neal and Miss Buna Rountree.

Benjamin Franklin defined man as "a tool-making animal."

Twinkling Bluebirds Elect Leigh Ann Vaughan President

The Twinkling Bluebird group met Tuesday at the Camp Fire Hut and elected Leigh Ann Vaughan as president. Other officers elected were Connie Christian, vice president; Elaine Kelly, secretary; and Jeri Ann Waggoner reporter.

The girls made Thanksgiving turkeys and dried arrangements. They also planned a cookout on Nov. 17.

Others present were Thereas Hambright, Luann Shira, Marilyn Stewart, Mignon Williams, Georgia Ann Pruitt, Valinda Skaggs, Pamela Waggoner and Cynthia Witt.

Leaders are Mrs. Jerry Waggoner and Mrs. Parker Kelly. Guests were Suellen Waggoner and Elsie Kelly.

Mrs. R. E. Hambright is transportation sponsor.

Xi Gamma Pi To Meet Today

Members of Xi Gamma Pi Chapter, Beta Sigma Phi, will meet with Mrs. George Poe Thursday, (today).

The last meeting was with Mrs. Howard Mehaffey, Oct. 22, when Mrs. John C. Bryant pre-

sented the program on the "Sense of Hearing". Cake and coffee was served to nine members.

Stamford District W.S.C.S. to Meet In Throckmorton

The Stamford District meeting of the W. S. C. S., Methodist Churches, will be held in Throckmorton, Nov. 19. Registration begins at 9:30 a.m.

Luncheon will be served.

The principal speaker will be Miss Elizabeth Stinson, assistant professor in the Department of Religion, McMurry College, Abilene.

The theme is "One Witness and One World and My Responsibility."

BIRTHS

Kelly Denise is the new daughter of Mr. and Mrs. Bobby Hunt, 221 N. Central. She was born at 8:31 a.m. Nov. 4 and weighed 9 lbs. 9 oz.

Mr. and Mrs. Manuel Reyes of Swenson are parents of a girl, Isela, born at 7:35 a.m. Nov. 4 weighing 7 lbs. 2 oz.

Mr. and Mrs. Leovardo Gonzales, Gen. Del, Peacock, are parents of a son, Leovardo Jr., born Nov. 8, at 2:11 p.m. He weighed 7 lbs. 3 oz.

At least fourteen Texas streams are known as Hackberry Creek.

underwood

now offers the most complete line of office machines ever available from a single source

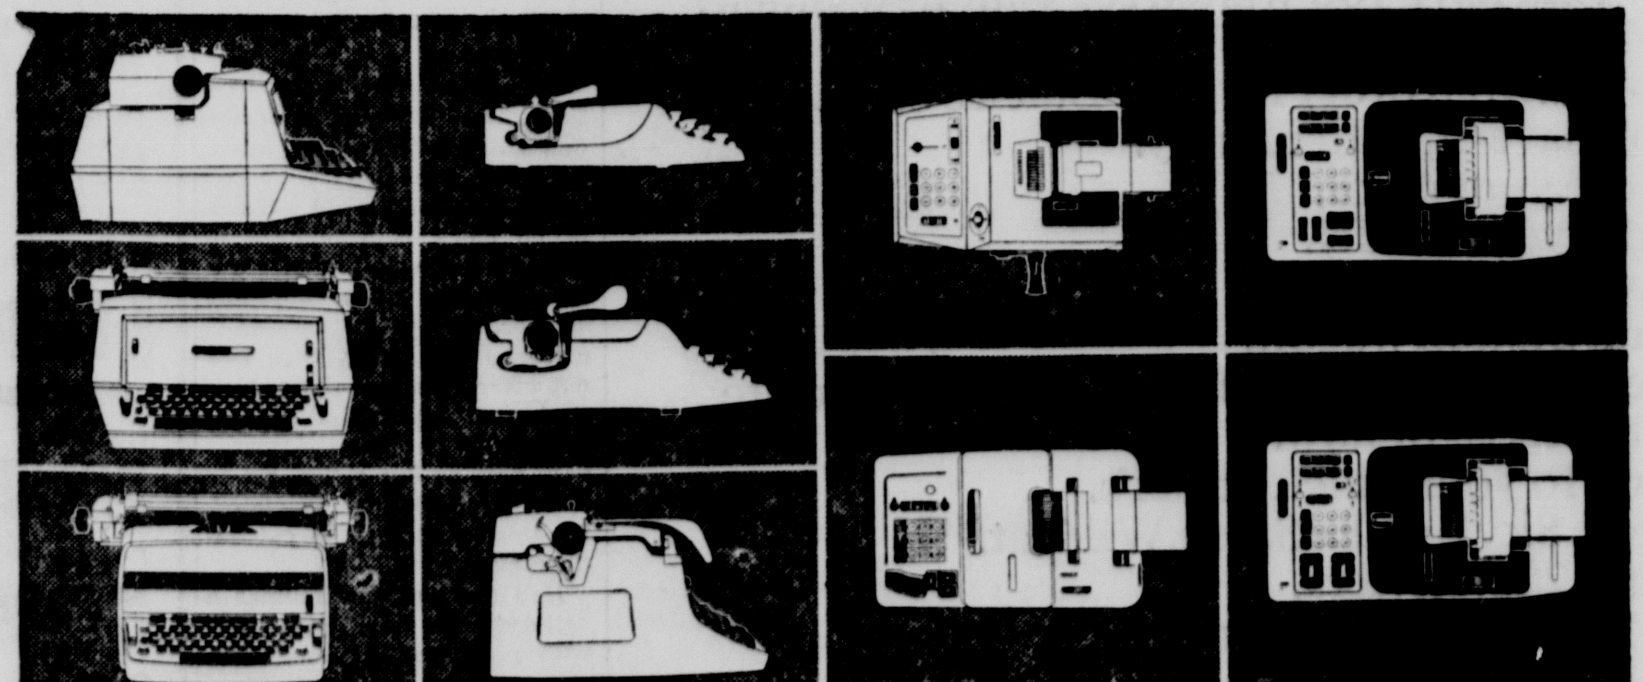

Underwood's wide range of portable, standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that the Underwood Representative is uniquely able to match the machine to the job, free from pressure to sell a machine that's too much for the job or too little.

For example, he has three dramatically new Underwood electric typewriters—to cover every typing requirement from the board chairman's most important correspondence to the shipping department's labels. But when typing demands don't justify an electric machine, he is able to provide a new Underwood standard typewriter that produces high-quality typing at exceptionally low cost.

So varied and versatile is the new Underwood line that no matter what your business or your office requirements, it's almost certain that one of Underwood's office machines shown below can save substantial sums of time and money for you.

Soon your Underwood Representative will call on your company. If office costs are your concern—he's your man.

If you'd like to see him immediately, telephone—or write to Underwood Corporation, One Park Avenue, New York 16, New York.

underwood **RAPHAEL**: An electric typewriter with automatic variable spacing, polyethylene carbon ribbon and many advanced features.

underwood **FORUM**: An electric typewriter with standard letter-spacing and both polyethylene carbon and fabric ribbons.

underwood **SCRIPTOR**: A fully-electric typewriter with fabric ribbon for general-purpose typing.

underwood-olivetti **LETTERA 22**: A super-lightweight portable with important big-typewriter features.

underwood-olivetti **STUDIO 44**: A compact standard with all important office-typewriter features, yet easily portable. Full-size keyboard.

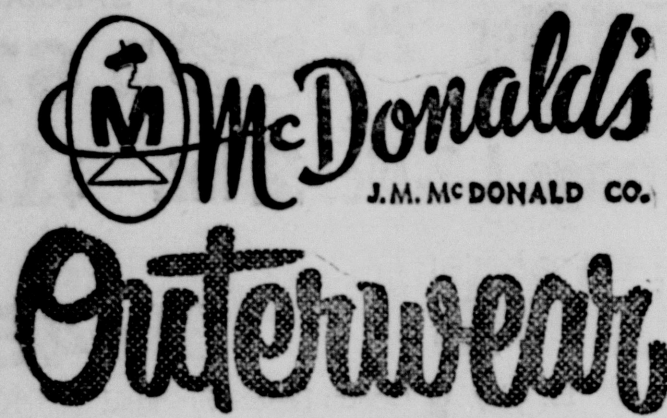

underwood **TOUCH-MASTER FIVE**: A standard typewriter of exceptional lightness of touch and unusual operating ease.

underwood-olivetti **PRIMA 20**: A high capacity 10-key hand adding machine with direct subtraction, credit balance, printed tape and other features not usually found in low-priced machines.

underwood-olivetti **ELECTRO-SUMMA 22**: A high-speed, high-capacity 10-key adding machine with automatic credit balance, direct subtraction and automatic dater. Also does multiplication.

underwood-olivetti **DIVISUMMA 24**: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations.

underwood-olivetti **TETRACYCLES**: A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and handles complex combined operations.

STATE CAPITAL Highlights AND Sidelights by Vern Sanford

AUSTIN, Tex. — Gov. John Connally remains the dominant figure on the statehouse scene. He received over 1,800,000 votes in the general election, to lead the Democratic ticket.

An overwhelming majority of Texas voters liked the Democratic ticket headed by native son Pres. Lyndon Baines Johnson.

Republicans were left with little to be encouraged about. However, GOP leaders insisted their party has "the zeal and spirit to make a fast comeback" and will begin the 1966 campaign immediately.

Statisticians for the two political parties have gone to work to explain the tremendous Democratic sweep of Texas. One logical explanation of Johnson's landslide was simply that 400,000 more Texans than ever before appeared at the polls. And apparently they were about all Democrats. Turnout was some 88 per cent of the qualified voters, also a new record in this century in Texas.

President Johnson received 64 per cent of the 2,700,000 Texas votes cast (to 36 per cent for Sen. Barry Goldwater). This represented the largest total in a presidential race since the late Franklin D. Roosevelt's 71 per cent margin for a fourth term in 1944.

Sen. Ralph Yarborough defeated GOP candidate George Bush by carrying nearly 56 per cent of the total. But Bush got more votes than any previous Texas Republican candidate for senator. The Houston oilman was the first GOP senate candidate to rack up more than a million votes.

Republicans, although better organized and financed than ever, lost every statewide and congressional race and all legislative races except one. GOP Frank Cahoon of Midland won. In the scramble the Republicans lost two congressmen, Bruce Alger of Dallas and Ed Foreman of Odessa, and nine members of the Texas Legislature.

Makeup of the Legislature in general remains conservative-moderate. Leadership will continue in the hands of Lt. Gov. Preston Smith and House Speaker Byron Tunnell. The latter is assured another term as speaker on strength of member pledges.

Texas voters also approved all three state constitutional amendments on the ballot.

In so doing they knocked legislative authority to transfer one per cent of the permanent school fund; authorized the Legislature to enact a program of medical aid to the aged not on welfare rolls but having difficulty paying their doctor bills; and required bills creating or substantially altering conservation and reclamation districts to be published in newspapers and cleared by Texas Water Commission.

LBJ AT HOME
President Johnson closed out his campaign and celebrated his

landslide victory in the Central Texas congressional district where he got his political start. Final speech of his nationwide vote hunt was made to 100,000 at an Austin rally in front of the State Capitol.

He voted at his old precinct in Johnson City on election day.

Johnson returned to Austin to make his first statement to the nation after the election—a call for American unity and a pledge to work for a government offering equal opportunities to all.

CHANGES
Some Texans learned to their dismay that if they had moved from one county to another within the last six months, they lost their right to vote.

Others found that if they had moved from one precinct to another in the same county, but had failed to transfer their poll taxes by the Thursday before election, they had lost the right to vote.

These situations naturally led to talk of making changes in the law or of lawsuits to set aside the laws which cut off rights to vote on technicalities.

SALT WATER
District Judge Herman Jones heard three days of evidence as to whether the Texas Railroad Commission or the Texas Water Pollution Control Board should regulate the disposal of the salt water which comes to the surface in oil and gas wells.

Oilmen contend it should be wholly under the Railroad Commission. Users of surface and ground water contend that the new Pollution Control Board has the authority, and should exercise it, to prevent pollution. After filing on briefs and oral arguments, Jones will reach a decision about Nov. 20.

COURT SPEAKS
National chain loan companies got the word they wanted from the Texas Supreme Court. It upheld lower court decisions that an effort by the Legislature to restrict non-Texas companies from opening new loan offices in Texas clearly was unconstitutional.

Small Texas firms had convinced the Legislature that loan licenses should be issued only to companies owned at least 51 per cent by Texans. But the court said that is not valid, under both state and federal constitutions.

On request of Upshur Rural Electric Cooperative and Southwestern Electric Power Company of Shreveport, Supreme Court dismissed appeals in a dispute involving construction of a \$9,000,000 rural power generating plant near Ore City in East Texas. Southwestern claimed the Upshur Coop, serving 10 North East Texas counties, had no authority to discontinue buying power and to start generating its own. All matters in dispute reportedly were settled.

An Austin district court refused the Houston House of

Representatives' request for a temporary restraining order to retain its distributor's permit. But it set a Nov. 12 hearing on an injunction to keep the State Comptroller from revoking the permit.

Firm's operator was charged with participating in cigarette tax stamp fraud scheme said to run into millions of dollars.

El Paso Electric Company is challenging constitutionality of state gross receipts tax on its energy sales in El Paso, Van Horn and Anthony. It seeks a

\$300,000 refund in appeal to Third Court of Civil Appeals here.

COLLEGE GROWTH

The 32 junior colleges which are supported in part by state money gained 16.7 per cent in enrollments this fall.

Growth of community colleges was even greater than state colleges and universities, which checked in 144,309 students, a gain of 9.4 per cent over last year.

New emphasis on the need for higher education, plus the

simple fact that the bumper "war baby crop" is reaching college age, accounts for growth.

Community colleges, to give vocational and technical courses, are a major part of the recommendations of the Governor's Committee on Education Beyond the High School. Need for at least a dozen new community colleges is indicated.

State Board of Insurance has delayed to January 1 a requirement that mutual aid and burial associations raise their rates

high enough to build reserves to meet expected demands on their policies, since the Nov. 1 date did not give the associations time to calculate necessary statistics.

State Board of Education heard revived protest against adoption of five biology books allegedly promoting atheism and three government texts.

Workmen's compensation insurance rates go up 14 per cent on December 1 as losses pushed up premium rates in most lines of business.

Federal Land Bank Sets Annual Meet In Haskell Dec. 9

The Directors of the Federal Land Bank Association of Haskell have announced that the Association Annual meeting of Stockholders will be held in Haskell on Wednesday, Dec. 9, at 2:00 p.m.

The Haskell Association serves a 4-county area of Haskell, Jones, Baylor and Knox Counties.

The Association has approximately 825 members and has an outstanding loan volume of approximately \$4,500,000.00.

The Association recently paid a 10% dividend to borrowers on stock owned as of September 1, 1964 amounting to \$24,000.00.

Two Directors will be elected for three year terms beginning January 1, 1965.

Directors and officers of the Association are:

O. G. Lewis, president, Rule; L. H. McBride, vice president, Hamlin; C. F. Upshaw, Stamford; M. J. McYarty, Seymour; John R. Watson Sr., Haskell; J. P. Jones, Munday; Joe Harper, manager, Haskell; Felix Copeland, asst. manager, Seymour; Mrs. Ruby Smith, office assistant, Haskell.

Farmers to Benefit from New Tax Regulations According to Agent

By Kirby Clayton
Jones County Agent

"The 1964 income tax regulations will affect the taxable income of farmers for 1964," says county agent, Kirby Clayton. "Farmers can benefit from the 1964 changes if they meet certain qualifications."

The payment rate of taxes in 1964 is less than the 1963 rate for any given level of income. This means that a person having the same income in 1964 as he did in 1963 will pay less taxes. When the rate deduction is fully effective in 1965 all taxpayers' rate will be down an average 14 per cent.

The taxpayer has another option this year in declaring deductions. In 1964 a taxpayer may select to (1) itemize personal deductions; (2) use a standard deduction of ten percent not to exceed \$1000 or (3) use the minimum standard deduction. The minimum standard deduction is \$300 for a single tax payer or \$400 for a married couple filing jointly. An additional \$100 can be claimed for each dependent up to a maximum of \$1000. These deductions are in addition to the regular \$600 personal exemption. Most of the benefits from this tax change will go to families with incomes less than \$5000 per year.

Several tax changes will benefit farm people over 65 years of age. A taxpayer over 65 years of age can exclude a portion of the gain on the sale of his residence if the sale price exceeds \$20,000 and all of the gain if the sales price is less than \$20,000. This exclusion can be applied only once to the sale of the residence and the home must have been used as a residence for at least five of the last eight years preceding the sale.

Tax payers who are 65 years or over or who are blind are allowed an additional \$100 minimum standard deduction. This is in addition to the \$600 personal exemption.

All medical and drug expense are deductible for tax payers over 65 year of age in 1964. In past years only that portion of the medical and drug expenses above one per cent of the adjusted gross income was deductible.

Farmers with large fluctuating incomes may also benefit from the income average device specified in the new tax code. This new provision permits averaging of all types of income except capital gains, wagering gains and income from gifts and benefits. The averaging provision applies to that income given year that exceeds more than one third of the average income of the four previous years.

Investment credit claims on eligible items placed in service after December 31, 1963 will not be subtracted to obtain the depreciable base for that item. If property was placed in service before January 1, 1964 and the basis of which was reduced by the amount of the investment credit claimed, the basis of such property will need to be increased by the amount of

the investment credit taken. This will increase future depreciation and increase the rate of return on investment.

State and local taxes on cigarettes, tobacco, alcoholic beverages, license plates and drivers licenses are no longer allowed as deductions. Other state and local taxes not deductible are poll taxes and other miscellaneous sales taxes.

Expenses incurred in moving by a newly hired employee and unreimbursed moving expenses of existing employees are deductible. This deduction is allowed only if the distance moved by a new employee exceeds 20 miles or in the case of a reimbursed employee the person must have been a full time employee in the general location to which he moved for 39 weeks during the year following his arrival, but not necessarily with the same employer. These are only a few of the changes in the 1964 Revenue Act. When utilized correctly, these changes may provide farmers with a lower tax liability than was experienced in 1963. Further information regarding these changes may be obtained from your local internal revenue office.

Councilman Speaks To Foursquare Sunday School

Bill Davis, Hamlin City Councilman, was guest speaker at the 9:45 a.m. Sunday School assembly of the Foursquare Gospel Church, Sunday, Nov. 8.

The Sunday School is in a national program, "Vote for Sunday School." Each Sunday a particular phase of emphasis is stressed. The theme Sunday was "Vote for Righteous Government."

Mr. Davis spoke on "The Value of the Sunday School in the Community." He said the Sunday School is one of the most important functions of the community and encouraged all parents to take their children to S. S. and attend with them. He said officials and leaders of our City are interested in Christian education because it makes for a better community and makes better citizens of all.

He also brought out that we vote for S. S. by attending. Mrs. L. L. Skaggs, S. S. superintendent, announced the topic for Sunday, Nov. 15, "Vote to Keep Our Freedom."

The local church joined with other Foursquare churches throughout the nation in participating in the special program.

Mr. and Mrs. A. E. Harkey, residents here since 1957, will be moving to Andrews where he has been transferred with Continental Oil Company. Mr. Harkey begins work there this week and Mrs. Harkey and Leslie will be moving later. The couple has two other daughters, Patricia, a freshman at West Texas State University, Canyon, and Mrs. Gerald (Darla) McCandless, who also lives at Canyon where her husband is attending W. T. S. U.

14 Year Old Former Tuxedo Resident Dies in Abilene

Eddie Carlton Pritchard, 14, died at 2 p.m. Friday on the grounds of Franklin Junior High School during a physical education class as he played touch football. He ran out for a pass, reached out for the ball and collapsed, witnesses said.

His parents, Mr. and Mrs. Edwin C. Pritchard of 1134 Shelton, said their son had had a history of heart trouble since early childhood. He went for periodical checkups on his condition, they said, but had their permission to take part in P. E. class.

Funeral was held at 2 p.m. Saturday in Crescent Heights Baptist Church with the Rev. Wayne Allen, pastor, officiating. Burial was in Fairview Cemetery south of Tuxedo.

Born March 2, 1950 at Stamford, he lived with his family at Tuxedo until moving to Abilene in 1954. He was a member of the National Junior Honor Society and the Crescent Heights Baptist Church Sunday school. He was a ninth grade student.

Survivors other than his parents are two sisters, Mrs. Fred (Sandra) Michaelis of Bryan and Ruby Diane Pritchard of 1134 Shelton; one brother, Tony Lane of the home; his grandparents, Mrs. Murtle Carlton of Wichita, Kan., and Mrs. Travis Rousseau of Haskell and Clyde Pritchard of Route 2, Stamford.

An uncle, Marvin Carlton, and other relatives live here. Classmates were pallbearers.

Mr. and Mrs. T. P. Fincher and Mrs. P. S. Fincher of Fort Griffin, near Albany, visited with their daughter and granddaughter and family Mr. and Mrs. Bob Craig, Beth, Darrell and Ricky Thursday and Friday.

Aerial Effort Fails, Pipers Lose 22-2

In spite of a tremendous pass catching performance by Mike Shivers and a fine defensive effort by Larry Simpson, the Pipers fell before the onslaught of the Winters Blizzards here Friday night to bring their district record to 2-3, with one game to go.

Shivers caught nine passes for 135 yards to bring his season total up to 951 yards and eight touchdowns. Simpson, who is still handicapped by an early season knee injury made tackles all over the field as he lead the Piper defense.

With Robert Pearce not in running condition the Pipers had to rely on their air attack for their offense. The Pipers could manage only 35 yards on the ground but lost 80 yards trying to pass and came up with a net of -45.

Tommy Ferguson passed 23 times, completing 14 for 152 yards with one interception. Pearce completed three of 11 passes for 57 yards and Johnny Overman tried four with one

interception.

The Pipers took the opening kick off and moved the ball to the Winters 40 with the aid of 15 pard penalty against the Blizzards. A third down pass attempt put the Pipers back on their 37 from where they punted.

Winters opened their first scoring drive when they took over on their 34. Eleven plays later quarterback Denny Aldridge passed to wingback Van Spill for a 10 yard touchdown play. The same combination was good for the extra points.

The Pipers moved into Blizzards territory following the kickoff but 20 yards in penalties and a 19 yard loss put the Pipers back on their 27 from where Rupert Compton kicked. Hamlin drew another 15 yard penalty on the punt and the Blizzards started action on the Hamlin 35.

The Blizzards powered their way to the three in three plays from where Aldridge scored. Richard Puckett ran the two pointer in on a fake kick.

Following the kick off the Pipers tried nine consecutive passes, completing three in the series for a first down on the Blizzards 21. But three of the last four fell incomplete and the Blizzards took over on their 26.

A half the distance to the goal put the Blizzards back on their 12 from where Mike Patterson tried to get off a punt. When he thought it might be blocked he downed the ball in the end zone for a safety.

Following the kick off the

Pipers moved back down to the Winters 21 but still could not score and Winters quick kicked from their 38 and the two teams exchanged pass interceptions to finish out the first half.

Mid-way in the third period the Blizzards drove from their 45 down to the Piper four where the Piper defense held and the Pipers took over on the five.

The Pipers completed five out of six passes to move the ball out to the 39 before two fell incomplete and Compton punted. The Blizzards returned it to their 43 and opened up their final scoring drive. They covered 57 yards in eight plays with Puckett passing to Spill for the final 23 yards.

Neither team could make much headway during the remainder of the game and the final score read Winters 22 and Hamlin 2.

PIPER PATTERN— Entire School Preparing for Final Football Game with Anson

By Nancy Ford
Carolyn Reynolds
Marolyn Reynolds

Go! Fight! Win! The cry of victory is ringing through the halls of H.H.S. this week as the entire school is preparing diligently to beat Anson Friday night. The final game of the season always brings feelings of remorse to everyone.

The last game, the last time for some to represent Hamlin High, and the wish to do their very best are the thoughts of every senior football player, band member, pep squad member, and student body member.

So, let's get out and beat one of our chief rivals, Anson, Friday night. It will be a tough job, but the Pipers can do it! Let's win!

—hhs—
"Our FFA Sweetheart for 1964-65 is Miss Nancy Ford." This announcement was made by Holman Jones, FFA president, Thursday, November 5, in

an assembly program. Nancy will represent the Hamlin FFA Chapter at the Jones County Fair and West Texas Fair as well as various other FFA events. A very active senior girl.

Nancy is engaged in the following activities: secretary of the Senior class, head cheer leader, reporter of Student Council, vice president of FFA, and a member of National Honor Society.

—hhs—
Another senior girl was honored Friday night during half-time ceremonies, as Marolyn Reynolds was crowned band sweetheart by David Drummond, president of the band. Jack Townley, vice president, presented the other nominees with nosebags. Driving the cars carrying the girls onto the field were Holman Jones and Eddie Connally. Marolyn, secretary of the band, plays clarinet in the concert and marching band and

baritone saxophone in the stage band. At the present time, Marolyn is very active in other extracurricular activities: secretary of the Student Council, reporter of FFA, president of Library Club, and secretary of the National Honor Society.

—hhs—
The Pied Pipers Band will travel to San Angelo, Saturday to compete in U. I. L. Marching Contest. The band has been working strenuously for this contest, as a first in marching and inspection contest will be a prerequisite toward a sweepstakes band.

—hhs—
In an FFA Meeting Monday night the following Green Hands were raised to the Chapter Farmer Degree: Gaylon Moore, Robert Parramore, Tommy Ferguson, Jimmy Hawkins, Jim Bonds, Billy Cooper, Randy Smith, Charles Stanford, Bobby White, John Poe, and Larry McCoy. The results of the winners of the Trick or Treat Candy sales were announced. Winning first place and \$5 was Keith Bundas; second place and

\$3 was Billy Cooper; and third place and \$1 was Pryor Smith.

Attend Open House

Mrs. W. B. Britton and Opal Smith of Bishop's Flowers spent Sunday in Fort Worth attending openhouse and Christmas showing of the Fort Worth Floral Company. Christmas designs were made by Tommy Schulze and Joe Herrin, both of Fort Worth.

While in Fort Worth, Mrs. Britton visited her 90 year old aunt who is hospitalized with a broken hip.

A Baptist layman formerly of Hamlin and now of Abilene, Tate May, was elected to the board of trustees for Hamlin-Simmons University, Abilene, at the Baptist General Convention of Texas meeting in Corpus Christi, Nov. 3-5.

FAIRVIEW NEWS

By MRS. ELMER JOINER

If there ever was such a thing as perfect weather, we have been having it recently, we think every day will surely be the last, since old Jack Frost is just lurking around the corner. The wheat is all up that has been sown, just about the prettiest color green you ever saw, giving a promise of some thing to come another year. As usual, for West Texas, rain is needed.

We are sorry to rereport that Mr. Joe Ford is in the hospital in Hamlin, with a severe case of sinus. As of Sunday night, he is feeling some better.

Mrs. Fred Rosenbaum is spending some time in Pampa, with her children, Mr. and Mrs. Joe R. Rosenbaum, as Mrs. Rosenbaum had surgery last week. Mrs. Fred is going to help them out.

Mrs. Bill Newland failed to get to church yesterday, although she started. At the railroad, three cars were involved in a wreck, hers being the back one, and her brakes failed to hold. We understand that no one was injured, just shook up and scared, with damage to the cars, it all resulted from two cars ramming a stopped one, and as we said hers was the third and back one, and her brakes failed to work.

Mr. and Mrs. Winson Gray made a trip to the Plains over the week end, visiting.

Mrs. Woodrow Goodwin and Mrs. Elmer Joiner went to Abilene last Tuesday afternoon, to visit Mrs. Lois Hampton.

Mrs. Mary Sue Henry, Rule, and Mr. and Mrs. Clois Henry and children, San Angelo, were Saturday guests of the Henrys.

Funeral services were held Saturday afternoon for Eddie Prichard, 14 year old son of Edwin Prichard, of Abilene, who died of a heart attack at school Friday. Eddie was the grandson of Mrs. Myrtle Carlton, who now lives in Kansas. His mother was the former L. Nell Carlton, who passed away in December, 1951, when Eddie was almost two years old.

Visitors of the Wainwright families were, Mr. and Mrs. John Brockman, of Throckmorton. Mrs. Brockman is to be remembered as the former Gladys Wainwright. They lived for years in the country, out of Throckmorton, but have recently moved into town at that place.

After having suffered much with his back, we understand that Joe Bonds Jr., is in the Abilene Hospital, scheduled for back surgery. We failed to learn any details, but do know how to sympathize, for barely missed the same thing myself once upon a time.

Mr. and Mrs. Flavil Holmes are driving a new Impala Chevrolet.

Mr. and Mrs. Elmer Joiner went to Anson, Sunday afternoon, to see Mr. and Mrs. Hap

Neinda Philosopher Has Suggestion for Keeping Nation from Drifting Toward Thrift

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 has a novel slant on the economy this week.

Dear editor:

I didn't want to bring this up during the campaign as it wasn't irrelevant enough to classify as an issue, but now that the election is over and the country can settle down to important things I can get around to discussing it.

According to a newspaper item I've been saving for three

Ray, Mrs. Ray spent almost a week in the Anson Hospital, undergoing tests, but was feeling some better, having learned that she did not have gall bladder trouble, therefore would not have surgery. The Ray's son, Wayne, was at home from Fort Worth, where he is teaching school, this being his first year in that work. School teachers are just in the family, as the Ray's son-in-law, Lee Allen Ash, is also a teacher in Lubbock.

Mrs. Kay Leverett and girls, visited Friday morning, with Mrs. Woodrow Goodwin. They all raided Mrs. Henry's turnip patch.

Mr. and Mrs. David Higgins, and sons, Abilene, ate supper with her parents, Mr. and Mrs. George Wainwright and Jummy, Friday night.

Linda Goodwin had several of her friends come spend Friday night with her, they were Jeanne Young, Ryenna Sanderlin and Betty Daniels. Saturday morning they all went to Tuxedo community where they and other friends of Sue Roddy, surprised her with a birthday party.

Sunday will be the Sunday for the Fairview church to visit the Holiday Lodge, home for senior citizens, in Hamlin. We are all looking forward to going and hoping to bring a little pleasure to the residents.

Just a little report on the progress of the Goodwin's new home, the outside is all finished, looks ready to move in, but now comes all the slow work inside. They hope to be in by Christmas.

weeks now, economists have hailed as good news the discovery that the people during the third quarter of this year resumed their normal habits of spending.

During the second quarter the experts had detected a dangerous drift toward thrift and this had them worried. During that period people were saving over 8 per cent of their take-home pay, whereas in the third quarter they got back to saving only 7 per cent, with the possibility of going a little lower, what with Christmas coming on and all.

As I understand this theory, the economy is geared to a steady pace of producing and selling, and a jump in saving means a drop in buying, followed by a slump in producing. In

other words, a penny saved is a wheel stopped.

I have not gone into this theory thoroughly, but I am willing to practice it, provided there are some built-in safeguards to protect a man's reputation.

For example, say right now I'm a little hard-pressed for cash, and you could say it with out indulging in campaign talk, and as a result have cut down on my spending. Now I don't want people, unaware of the situation, saying, "Look at him, not spending much these days. Probably saving his money. What's he trying to do, wreck the economy?"

Now the last thing I'd want to do is wreck the economy, therefore it seems to me the government ought to have a

special fund to tide people over when, with the help of expensive families and short-sighted credit managers, they've cut down on their spending.

Any time a man's saving goes above 7 per cent of his income, the government should nip it in the bud and step in with a subsidy to bring it back down to the safe, national level, and keep the wheels turning. I never was a man who liked to shirk his duty.

Your respectfully,
J. A.

Mrs. Joe Simpson is in Georgetown with her father, Lott L. Shell, 80, who is quite ill in a hospital there. Mr. Shell was injured in an automobile accident Nov. 4 but a heart condition has developed causing him to be hospitalized for a longer period.

California is one of the leading turkey-producing states in the nation.

*Equal Payment Plan

Budget minded? Aren't we all? Now you can know every month just what your electric service bill will be. West Texas Utilities Co. has a new plan for residential customers... a new Equal Payment Plan. They will estimate the amount of electric service you will use in the next year and divide it into 12 equal even-dollar payments. This estimate is based on your past electric service usage, or in the case of a new customer, on similar accounts.

To keep the payments balanced, your account is reviewed monthly and yearly. If your actual metered electric usage differs materially from the estimate... due to a new major appliance or unusual conditions... you are notified that a change, up or down, in your monthly payments is needed. You may join at any time. The Equal Payment Plan Year ends with your 12th monthly payment. If at the end of the EPP year you have used more, or less, than the estimated amount, your 12th monthly payment will be increased or decreased to balance the account. Call or visit your WTU office... ask for complete details of the Equal Payment Plan now.

BAND SWEETHEART—Marolyn Reynolds was revealed band sweetheart for the Hamlin High School Band Friday evening during halftime ceremonies of the Hamlin-Winters football game. She is pictured above with her sister, Carolyn, left, Mary Margaret Turner, daughter of Mr. and Mrs. J. C. Turner, and Mary Lois Patterson, right, daughter of Mr. and Mrs. LaFoy Patterson, the other nominees. Marolyn and Carolyn are daughters of Mr. and Mrs. Cliff Reynolds Jr. David Drummond placed the sweetheart's crown and Jack Townley Jr. presented each nominee with a nosegay. Miss Reynolds received a bouquet of red roses.

Nancy Ford Selected as Hamlin FFA Chapter Sweetheart Thursday

Nancy Ford, daughter of Mr. and Mrs. H. L. Ford of Route 1, Hamlin, has been elected Sweetheart of the Hamlin FFA Chapter for the 1964-65 school year. Nancy is a senior in Hamlin High School and active in many school activities.

She has been an active member of the Hamlin Chapter of Future Homemakers of America for four years. She was a delegate to the State FFA Convention her freshman and junior years. She is currently vice president of the Hamlin FFA Chapter and is working on her state FFA Degree. Other homemaking activities include entering the national "Make It Yourself with Wool" contest.

Nancy is an active member of the Hamlin Pep Squad. She has been a member of this organization for four years, was a cheerleader her junior year in high school, and is presently head cheerleader. She attended the SMU Cheerleading School both her junior and senior years.

Nancy is currently reporter for the Student Council and has been a member of this organization for two years. She has attended various district and state Student Council meetings.

Nancy is also active in the National Honor Society, the Spanish Club, and the Library Club. Last year she was reporter for the Library Club. She has been on the "A" honor roll all through high school.

Other school activities include Piper Queen nominee as a freshman, treasurer of the freshman class, treasurer of the sophomore class, secretary-treasurer of the junior classes, and Citizen of the Month for October her junior year. Also,

Members of the steering committee from Jones county are: J. L. Hill Jr., General Manager of Stamford Production Credit Association, and A. J. Mills, General Manager of Stamford Cotton Oil, Stamford, Texas.

Named to the county committee for Jones county at the Friday meeting were Hollis Madden, Jack Morrow and Johnny Hansen.

Counties included in the Rolling Plains Cotton Growers area are: Baylor, Childress, Cottle, Fisher, Foard, Hardeman, Haskell, Howard, Jones, King, Knox, Mitchell, Noland, Runnels, Scurry, Stonewall, Taylor, Throckmorton, Wilbarger, Concho, Coke and Tom Green counties in Texas, and Harmon, Jackson and Tillman Counties in Oklahoma.

Attending Friday's meeting of the steering committee from Jones County were J. L. Hill Jr. and A. J. Mills.

Piper Band to Enter Marching Contest

The Hamlin Pied Piper Band will journey to San Angelo Saturday for U. I. L. Marching Contest. The band will undergo individual inspection at 2:50 p.m. and perform at 3:23 p.m.

The first requirement for being a sweepstakes band is to receive a Division I rating on marching and inspection.

The majorettes will also participate in twirling solo and ensemble contest Saturday.

Several Attend Cancer Meeting

Mrs. Kenneth Riddle, Mrs. Lorraine Owen and John Scarborough attended the Jones County Cancer meeting held at Jack's Steak House in Anson Monday evening.

The next meeting will be held Jan. 11 to make plans for the April Cancer Crusade.

Eighteen persons attended from Anson, Lueders, Hamlin, Stamford and Avoca.

Rev. Spencer Liles Makes Hole in One

Rev. Spencer Liles made a hole-in-one at Lakeview Golf Course Monday morning on the number eight hole. He was shooting into the wind with a number five iron. The ball went in on the fly.

NANCY FORD
... FFA Sweetheart

she attended Girl's State, has entered the district UIL typing contest, and is secretary of the senior class. Earlier this fall Nancy was selected as Homecoming Queen of Hamlin High School.

During her reign as the Hamlin FFA Sweetheart, Nancy will serve as hostess for the Stamford District FFA Leadership Contests at Hamlin Nov. 12, enter the Stamford District Sweetheart Contest next spring, and represent the Hamlin FFA Chapter as its candidate in competing for the Sweetheart of the West Texas Fair and Queen of the Jones County Fair next fall.

Jones County 4-H Banquet to Be Held in Anson Tuesday

The Seventh annual Jones County 4-H Banquet will be held in the Anson Grade School cafeteria at 7:00 p.m., Tuesday night, Nov. 17, according to County Extension Agents, Mary Y. Newberry and Kirby Clayton.

Awards will be presented to forty 4-H Club boys and girls for the past year's work.

Awards will be given in swine, beef, dairy, clothing, entomology, garden, foods, safety, recreation, leadership, conservation, home economics and public speaking.

Adult leaders who have served for 5 years will be presented special certificates in recognition for their services to the 4-H Club program.

Bridge Winners

Duplicate Bridge Club Winners Tuesday night were Mr. and Mrs. Starr Inzer, first; Mr. and Mrs. Grady Bowdry of Stamford, second; and Mrs. W. O. Wilbanks and Mrs. W. L. Hunter Jr., third.

The club meets every Tuesday night at the Oil Mill Guest House.

Singing Sunday

The third Sunday singing will be held Sunday, Nov. 15, at 2:30 p.m. in the Foursquare Gospel Church.

Everyone is invited.

FERGUSON INJURED—

Pipers to Finish Season Here Friday with Anson

The Pied Pipers suffered the loss of their starting quarterback Tommy Ferguson in Monday afternoon's practice as they prepare to host their arch rivals, the Anson Tigers, here Friday in the final game of the season. Ferguson broke his collar-bone and will not see any action Friday night.

Coach D. C. Andrews, whose Pipers have been plagued with injuries this year, plans to move Johnny Overman back to the man-under slot and will try Rupert Compton back in his full-back position. Overman moved to fullback early in the season when Compton received an injured knee.

Robert Pearce and Larry Simpson were both favoring their knees in Monday's session but are expected to see action that likes to play ball-control football. With most of their team back from last year they have the experience to be a real strong club.

The Tigers run to the outside most of the time with tailback Jerry Andrus carrying the ball three of every four downs. They do not pass very much and then only when they are behind. Both their quarterback Alan Hunt and Andrus can pass.

The probable starting lineup for the Tigers will be: Alan, 178 pounds, at quarterback; Andrus, 154 pounds, at tailback; Daril Pineda, 190 pounds, at fullback; Mike Pueschell, 160 pounds, at wingback; Tommy Jones, 201 pounds, at left end; Clifford Oden, 180 pounds, at left tackle; Don Jones, 156 pounds, at left guard; David Reyes, 170 pounds, at center; Eddie Farnsworth, 164 pounds, at right guard; Larry Mayfield, 185 pounds, at right tackle; and Joe McCaleb, 156 pounds, at right end.

The Council voted last week to sponsor the project.

Everyone with used toys is urged to bring them early to the Herald office so they may be prepared for distribution. Mrs. Harmon also mentioned that anyone who could help with the project would be needed. Further information may be obtained by calling SP 4-2463.

Volunteers will be needed to help do necessary mending of repairable toys and making doll clothes. Plans will be made later for work sessions.

Toys will be placed in the window of the Herald office.

The Albritton Building will be used to store the toys and as a place to work during the project.

Elected Booster Club President

Sam Ferguson was elected president of the Pied Piper Booster Club Monday evening succeeding Bernie Cumbie.

Other officers are Lewis Woolf, vice president; Burt Oliver, secretary; Raymond Scifres, Bill Chapman, Pearce Davis, and Cumbie, directors.

Bake Sale Saturday

The Camp Fire Girls will have a bake sale downtown Saturday from 9 to 12 a.m. in front of McDonald's Department Store.

Home baked pies and cakes will be featured.

an have recently moved to Atlanta from Greenville where he is manager of a new plant being built by Henson-Kickernick. Cowan was plant manager at Greenville. Products are being made in a temporary building and will be in a new building soon. Mrs. Cowan is the former Lusara Dean.

Carl Benefield of Amarillo, one of the partners of the Rogue Theatre passed away in Amarillo Nov. 8. Funeral was held there Wednesday.

The Hamlin boys played in Merkel last Thursday winning 20-6.

The B Team is coached by Dan Trulove.

Organization Formed to Control Boll Weevils on Rolling Plains

The steering committee of the Rolling Plains Cotton Growers, Inc. held an organizational meeting in Stamford Friday, Nov. 6, at which members were named to county committees in most of the 28 counties in Texas and Oklahoma which are covered by the association.

The group also adopted an outline of objectives and purposes for the newly organized association, which primarily grew out of a desire on the part of producers in the Rolling Plains area to control the boll weevil and other harmful cotton insects.

According to the steering committee's president, Sam Reed, Northern Star Seed Farm, O'Brien, the following are the objectives and purposes adopted by the committee:

"To promote and protect the interests of Rolling Plains cotton producers; to foster improvement of the conditions under which cotton is produced and sold with special emphasis to control of the boll weevil and other pests; to promote a coordinated program of sound information which will include management practices by the growers that will assist in a better control program at a reasonable cost; to cooperate with and support established organizations in the cotton industry and general agricultural organizations in finding and pursuing reasonable and appropriate approaches to problems of mutual interest; to do all things else that may seem reasonable and appropriate for improving the conditions under which Rolling Plains cotton and cottonseed are produced and sold, and for promoting the welfare and protecting the interests of cotton

producers provided, that this Corporation will not engage in the business of buying or selling of cotton or cottonseed of their products."

Plans Announced for 1964 Census Of Agriculture by A. V. Womack

Plans for taking the 1964 Census of Agriculture in Jones County were announced today by A. V. (Blue) Womack, newly-appointed census crew leader for the county.

The job will be done in three stages, the crew leader said. First will come recruitment and training of enumerators to count all farms in the county.

Shortly after November 9, the Bureau of the Census, an agency of the U.S. Department of Commerce, will start the second stage by mailing agricultural census questionnaires to rural boxholders in the county. This will give farm and ranch operators, who are required by law to fill out the forms, a period of time to consult their records and fill in answers to the questions.

In the final stage, enumerators will visit each farm in the county to collect the questionnaires. At the time of this visit, the enumerator will help farmers complete answers to any questions the farmers may have had difficulty with. Enumerator visits are scheduled to begin in this county on November 23. Enumerators will take about three weeks to complete their work, the crew leader estimates.

The Census of Agriculture is taken every five years in the years ending in "4" and "9" to gather up-to-date information on the nation's agricultural resources and production. Such information is vital in making decisions affecting many segments of the U. S. economy. Data gathered include the number and size of farms, acreage and harvest of crops, livestock inventory, information on farm equipment and facilities, farm products sold, and use of fertilizers, insecticides, and herbicides.

producers provided, that this Corporation will not engage in the business of buying or selling of cotton or cottonseed of their products."

Members of the steering committee from Jones county are: J. L. Hill Jr., General Manager of Stamford Production Credit Association, and A. J. Mills, General Manager of Stamford Cotton Oil, Stamford, Texas.

Named to the county committee for Jones county at the Friday meeting were Hollis Madden, Jack Morrow and Johnny Hansen.

Counties included in the Rolling Plains Cotton Growers area are: Baylor, Childress, Cottle, Fisher, Foard, Hardeman, Haskell, Howard, Jones, King, Knox, Mitchell, Noland, Runnels, Scurry, Stonewall, Taylor, Throckmorton, Wilbarger, Concho, Coke and Tom Green counties in Texas, and Harmon, Jackson and Tillman Counties in Oklahoma.

Attending Friday's meeting of the steering committee from Jones County were J. L. Hill Jr. and A. J. Mills.

FOR GENERAL ELECTION—

Election Costs Run from 35¢ To \$2 per Vote in County

The cost of holding Tuesday's election in Jones County ran from a low of about 35 cents per vote to a high of more than \$2.00, a check with County Judge Leon Thurman Monday revealed. General election costs are borne by the county.

The 35-cent figure was the county average and the high of \$2.00 was in the Wilson box. However, this high figure would be just slightly less in five other boxes where the total vote cast was less than 30.

Judge Thurman explained that the minimum cost of election officials at a voting box is \$32, with this figure running higher in the latter boxes.

Broken down, the expenses

Tuesday ran something like this: Election officials, \$1420; Ballots and supplies, \$207.13; additional ballots, \$14.25, for a grand total of \$1698.40.

But there are other costs which cannot be determined. There is the matter of preparing the supplies for distribution to the boxes, the actual distribution by members of the sheriff's department and the cost of taking care of the absentee ballots in the county clerk's office.

There is no immediate available record of the total number of persons casting ballots. It has been reported that this figure is well over 5,000 but the total votes counted in the gov-

ernor's race was 4,876. Using these two figures — \$16.48, and 4,876, the cost figure of 34.8 cents per vote is obtained.

Although voting was heavier than anticipated, six boxes recorded a vote of less than 30. These were Sinclair, 26; Truby, 29; Goland, 17; Wilson, 16; Compere, 28; and Shilo, 21.

It was necessary to transfer ballots from one box to another to meet the demand on several occasions, and late Tuesday afternoon, some additional ballots were printed.

The commissioners court, at the regular session Monday, canvassed the returns and found them substantially the same as the unofficial totals.

PERFORMER IN ASSEMBLY THURSDAY—The junior class had their version of Peter, Paul and Mary in the assembly presented for the high school Thursday. Pictured, left to right, are Judy Jenkins, Jane Ferguson and Jan Albritton, who presented the skit. (Photo by Tim Jones)

Highway Commission Launches Huge FM Road Improvement

AUSTIN — The Texas Highway Commission today acted to protect the investment of Texas taxpayers in their 37,000-mile Farm and Ranch to Market Road system by approving \$18,090,200 for betterment in 1965.

A total of 3,305 miles of these all-weather roads will be improved under the 1965 Farm to Market Road Improvement Program to be executed in coming months by the Texas Highway Department.

Commission Chairman Herbert C. Petry Jr. said traffic increase and heavier loads, coupled with the age of many of the rural roads in Texas, are big factors in the need for periodic "resoling" of many F-M roads.

Under the budget approved today, 353 F-M miles will be reconstructed with new grading, structures and surfacing; 338 miles will be widened, reconditioned and resurfaced; 679 miles will receive additional surfacing, and seal coat improvements will be made on 1,924 miles.

Extensive bridge widening and shoulder improvement work is also included in the list of improvements scheduled for Farm to Market Roads under the 1965 program, Petry said.

Today's improvement budget was in addition to a \$23 million Farm to Market Road construction budget approved by the Commission in May for new F-M road construction.

The Highway Department will spend about \$22 million next year for routine maintenance.

ance — in addition to extensive betterment covered in today's action — on the F-M system.

Of the total completed F-M Road system in Texas, 33,560 miles are rural and 1,085 miles are within city limits. An additional 2,469 miles are under construction at this time or financed for construction in coming months.

Since 1948 the Texas Farm to Market Road system has grown from 3,060 miles to the designated system of about 37,000 miles today. An ultimate F-M system of 50,000 miles is envisioned for Texas by the Highway Commission.

Charles T. Smith Promoted in Rank

Charles T. Smith, 23, was promoted to the rank of specialist Five at the John F. Kennedy Center for Special Warfare, Ft. Bragg, N. C., on Oct. 28.

Sp 5 Smith of Headquarters and Headquarters Company is a legal clerk with the staff judge advocate's office at the Kennedy Center. He entered the Army in 1962 and completed basic training at Fort Chaffee, Ark.

Sp 5 Smith attended Jacksboro High School and Tarleton College. He is the son of Mr. and Mrs. V. E. Smith, 249 Northwest Ave. J., Hamlin.

Published Every Thursday at The Herald Building, Hamlin, Jones County, Texas, by the Pied Piper Publishing Company, 340 S. Central Telephone SP 4-1606

Entered at Post Office at Hamlin, Texas, for transmission through the mails as Second Class matter according to an Act of Congress on March 3, 1879.

TAKE A NUMBER

(we'll find the city)

Give your Long Distance calls a flying start... use Area Codes!

When you place a Long Distance call with the operator, give her the Area Code of the city you want, then give her the number you're calling. You'll save yourself precious waiting time on the line. You'll get your call through faster, easier.

Area Codes for most cities are listed in the front section (white pages) of your telephone directory. Or you can get them from the Long Distance operator—any time—and jot them down for future reference.

Southwestern Bell

A Look at the Cross on THANKSGIVING

"Surely he hath borne our griefs, and carried our sorrows: yet we did esteem him stricken, smitten of God, and afflicted."

"But he was wounded for our transgressions, he was bruised for our iniquities: the chastisement of our peace was upon him; and with his stripes we are healed."

"All we like sheep have gone astray: we have turned every one to his own way; and the Lord hath laid on him the iniquity of us all." Isaiah 53:4-6

Our prayer this Thanksgiving Season is that everyone will attend the house of God, giving thanks unto him for his great gift, which is eternal life through his son.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

OLD GLORY...

By Judy White

Basketball:
Old Glory basketball teams played Avoca in the Avoca Gym on Tuesday night Nov. 3. Old Glory girls bested the Avoca team 43 to 23. The Avoca boys beat our team 59 to 44.

The Grade School teams were successful in defeating the Girard teams when they met in the local gym on Monday, Nov. 2. The girls won 43 to 7. Reva Letz was the highpoint girl with 16 points. The boys score was 44-33. Russell Letz paced Old Glory with 18 points.

On Nov. 5 the Old Glory Grade School teams traveled to Noodle to win a 41 to 12 victory for our girls, with Judy Sander netting 17 points for our team. The boys teams tied 19-19 but Old Glory boys were successful in the overtime the final score was Old Glory 25 and Noodle 22. Rickey Boles made 9 points for our team.

Variety Club:

The Variety Club members honored their husbands at the club's annual Thanksgiving party and turkey supper in the school cafeteria Friday night, Nov. 6.

Following the supper games of 42 and 84 pere play-d, Mrs. Ray Bridges was the recreational chairman.

Mrs. Garrett Spitzer, Mrs. A. R. Sawyers, and Mrs. Charlie Old Glory School Cafeteria

Letz composed the food committee and planned the menu. About 22 people attended.

Mrs. V. R. Leverett Jr. was honored with a gift tea in the Old Glory School Cafeteria Saturday afternoon, Nov. 7.

Hostesses for the occasion were Mrs. Herman Dugan, Mrs. Allen Davis, Mrs. Jack Jones, Mrs. Sam Houston, Mrs. Roy Dean Smith, and Mrs. David Epley.

Mrs. W. G. Wienke has returned home after visiting in Lubbock several days last week with her sons and their families, the Roy Wienkes and the Les Wienkes. Mr. Wienke remained in Lubbock to receive treatment in a nursing home there.

Mr. and Mrs. Jerry Calicoate and children of Monahans were here last week visiting with her parents, Mr. and Mrs. Charlie Letz, and his parents, Mr. and Mrs. Delos Calicoate, Jana Loy Garner, daughter of Mr. and Mrs. Loy Garner of Abilene was here last week visiting with her grandparents Mr. and Mrs. Morris Garner.

Travis Beil has returned after several days visit with his son and family, the Billy Beil's in Sparks, Nevada.

Mrs. H. G. Klump has returned from a visit with her daughter and family, the Wesley Tabbs. Mrs. Tabb has recently undergone major surgery. She is reported to be recovering nicely.

TRAVEL TALK—

JERUSALEM, CITY OF MANY PARADOXES

Jerusalem, City of Paradoxes

By Hulin Fowler

Editor's note: Fifth in a series of articles on the Holy Lands. Write to Mr. Fowler in care of this newspaper for answers to your travel questions.

Jerusalem is a city of paradoxes.

It is traditionally a Jewish city, yet untenable by the Jews. Its Christian shrines are controlled by Moslems. A single shrine in the city is called holy by both Christians and Moslems alike. It is traditionally a city of peace, yet torn asunder by wars since the Jews were expelled by the Romans in 137 A.D.

As our four-engine plane skirted around Israel we thought how strange it was that we were not permitted to fly over the land of the Jews on our way to Jerusalem.

But the Old Jerusalem that we were to visit belongs to Jordan, an Arabic state primarily Moslem. It is separated from New Jerusalem, in Israel, by a forbidding expanse of barren land with barbed wire and land mines. The city, divided, forms the barrier between the two nations.

Jerusalem is a walled city, a natural fortress that has been the prize of conquering armies since the days of Nebuchadnezzar. As early as 2107 B. C. it was historically recorded as

the city named Salem by Melchizedek. Strife after strife ripped the city asunder, until in 1947-48, it was split by the Palestine War that left it Under Arab control to this day.

Despite its history of violence, when we entered the walls of this holy city a feeling of peace came over us that is said to be general among visitors. Certainly it was no different, really, than any other Arabic city we had visited, reminiscent in fact of far-flung Cairo and Damascus. Yet, in Jerusalem we felt safe, even alone at night.

Perhaps it is because Jerusalem is rather quiet for an Arabic city. There are no bars, no night clubs, no juke boxes blaring. The people — although typically Arabic in flowing robes and burnouses — were more polite. The fact that Jerusalem is the shrine of three monotheistic religions apparently had nothing to do with the peace that prevailed. The shrines — Christian, Jewish and Moslem — are controlled, quite fairly and impartially by the predominantly Moslem Jordan government.

One of the most exciting and impressive ways to see Jerusalem is to follow the Way of the Cross that Jesus suffered on His slow and agonized way to Calvary.

The Way of the Cross, which moves across narrow, cobblestoned streets and past odoriferous bazaars and marketplaces, is well marked with tablets identifying the various Stations of the Cross. A person would have to be without imagination indeed not to feel something of the tragedy of that fateful journey of the Lord.

Finally, one reaches the hill of Golgotha and then the tomb

chor rope several times around. They are canny critters, those bass. They love to run the obstacle course.

And, remember one thing... they make their living being smart. An old black bass has lots of savvy... else he would not have lived to lunker size.

From the day he is born his life is in danger. Even mama bass tries to eat him when he's a fresh-born babe. Pop's first job is to keep her away.

Once he's out on his own the young bass faces hundreds of enemies... all wanting to "gobble him up."

So, he learns fast... if he lives.

But the really great, fun-loving fishermen — those who seek not the meat of the trophy, but the fun of doing battle — they're the ones who go after bass with real light line.

True, they won't catch as many fish, or bring home many of the lunker size, but they enjoy their fishing more.

Anglers who use eight or 10-pound line are in the majority. They enjoy a scrap. But they want a better chance at bringing home something for the skillet. And usually they do. Numerically, more of the finny tribe end up on their tables.

Then there's the lunker bass fisherman. He fishes, fishes, fishes... with nothing but a trophy bass in mind.

He thinks big! A three-pound black is a minnow in his eye. He won't even mention having taken anything smaller. A four pounder is more to his liking. But, he's not after either of those. He's fishing all day and all night — every time he gets a chance — with nothing but a five, six or seven pound black in mind. He thinks big and he catches them big.

He's the guy who thumbs a bait-casting, spool-type reel with perfection. He's an expert at casting. He's the Ambassador of fishing. He's the fellow who uses 15 to 20 pound line and no swivels.

He finally accepted monofilament line. But first only as a leader to add stretch to his trusty old braided line. But he still keeps a spool or two of braided line handy, in the tackle box, just in case.

One thing you can count on with the gent is a fully-equipped, extra rod and reel beside him in the boat, ready to use at all times. He rigs up one for top-water, the other for bottom fishing.

of Christ. A magnificent Greek Orthodox church is built over the traditional site of the crucifixion and resurrection of Jesus. Inside are the last five Stations of the Cross, including the stone slab where it is said the body of Christ was anointed after His death. The inside of the huge stone structure is adorned with jewels, gold and silver brought in gratitude by pilgrims.

Moving on to the east side of the city, we came to the Mount of Olives, where Christ met with the apostles for the last time. Nearby is the Garden of Gethsemane, where Christ prayed and spent some of His last hours on earth. Eight olive trees from the time of Christ

are still growing and bearing fruit in the Garden.

There is much to see in Jerusalem but a visit is not complete without seeing one of the paradoxes of this wonderful land, a site of significance to both Christians and Moslems alike.

It is the Mosque of Omar, more often called the Dome of the Rock. The mosque, handsomely tiled on the outside and heavy with beautiful mosaic work inside, houses a rock about 10 feet square.

The rock is the one on which Abraham was willing to sacrifice his son Isaac to God, tradition claims. It is also said that the rock was one of the stopping places of Mohammed

on his night journey to heaven. With reluctance we left Jerusalem, the city divided by warring states and feuding theologians. But there was much to be seen outside the walls.
Next week: Jericho and the Dead Sea.

OUTDOORS—

What Weight Line For Texas Bass?

By Vern Sanford
What advantages do different weights of line offer Texas bass fishermen?

Some anglers for bass use monofilament line in sizes as small as four or six pounds.

A goodly number — the majority, perhaps — use eight or 10 pound monofilament.

Those seeking the trophy-winning lunkers resort to 15 or 20 pound line.

Why?

It's true that you can land a prize winner on the smaller, less visible line. But you'd bet-

ter be a fisherman in clear, deep water, free of rocks, brush, moss and duckweed. That lunker bass will give you the greatest thrill of your life on ultra-light line. But he's a canny customer. Once you set a hook in his mouth he will take off like a bolt of lightning. He will go as deep as that line will let him. He will head for submerged tree tops, stumps, weeds, rock crevices, or whatever protection he can find.

That light line stretches thin. It won't hold him back for long on his wild dashes hither and yon. Even without natural obstacles to wrap your line around he will dash under and around your boat. He will foul the line on the motor prop. He will catch it in a splintered part of the boat or the paddle. Or he'll sever it on some fancy metallic trim or the sharp edge of anything.

He's a genius at getting off the hook.

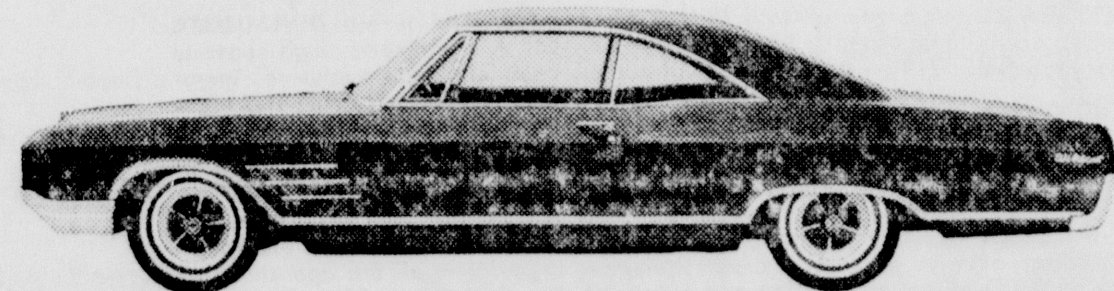

If you're anchored you can count on his circling the an-

For a child or an adult to achieve properly and efficiently they must have good vision. Only a vision specialist giving a thorough examination can determine your visual needs. A thorough examination takes time.

Keeping Up to Date . . .

Freezer Preserves Honey

Deep freeze honey if you intend to keep it a long time.

As most homemakers know, honey kept on the kitchen shelf gets sugary and turns dark after a while. Putting honey in the refrigerator doesn't help, in fact, it crystallizes even sooner.

None of this happens to honey kept in a freezer. So, the researchers suggest you store it there. Remove only a small amount at a time — enough to last a week or two.

Dark Bones

"Are chickens with dark bones fit to eat?"

Yes, they are.

Dark bones actually are a sign of a young bird, Mrs. Newberry says. And the reason you are seeing more of them lately is because producers are marketing broiler-fryer chickens, fryer-roaster turkeys and ducklings at an early age.

Spot Removal

"Success in removing stains from upholstery fabric," says Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent, "depends on fast action, the proper cleaning method, the kind of fabric involved."

She explains that common stains fall into three groups: greasy, nongreasy, and a combination of the two. She suggests that housewives faced with the problem of removing stains should pre-test a cleaning product on an inconspicuous area of the upholstery fabric in-

olved.

Greasy stains — from butter, margarine, car lubricant and other sources — on washable fabric can be removed by using a detergent foam. Usually, however it is necessary to use a dry-cleaning solvent. Soaps, detergents, glycerine, denature alcohol and a weak solution of ammonia also are acceptable where foam rubber is concerned on nonwashable fabrics.

"Caution is advised," says Mrs. Newberry, "when using any solvent because many of them are flammable, poisonous, and may cause illness if the vapors are inhaled."

For removing nongreasy stains—from fruit, black coffee, milk, catsup and other sources—use a damp sponge wrung out of cool water on washable fabrics, or use a detergent and water foam, wiping thoroughly with a sponge wrung out of clear water.

For stains on nonwashables, explains the home agent, "a final rinse with a sponge wrung out of alcohol helps to remove the detergent and to dry the fabric more quickly. Dilute the alcohol with two parts of water for use on acetate fabrics."

To remove combination stains, the home agent recommends: First, the use of a sponge wrung out of cool water; second, the use of a detergent and water foam, which then should be removed with a spon-

Diane Bond and Terry Carter Plan Dec. Wedding

Mr. and Mrs. Alvis' Bond, 602 Northwest Avenue G, are announcing the engagement of their daughter, Rose Diane Bond, to Mr. Terry Lynn Carter, son of Mr. and Mrs. A. L. Carter, 251 West Lake Drive.

The wedding will be held Dec. 18 at 7:00 p.m. in the First Baptist Church, with Rev. Byron Bryant, pastor officiating.

The bride-elect and prospective bridegroom are both graduates of Hamlin High School. Mr. Carter is attending the Stenograph Institute of Texas where is studying to be a court reporter.

The couple will make their home in Abilene.

gre wrung out of clear water. If the spot is still visible, sponge it with a grease solvent. This treatment is the same for washable and nonwashable fabrics. Combination stains may result from ice cream, chocolate, sauces, coffee with cream and other sources.

Bleaching is not recommended by the home agent for upholstery fabrics except as a last resort, used in a very weak solution when a trace of discoloration remains.

Christmas Candies, Cookies Shown for County HD Leaders

"Christmas Candies and Cookies" was the demonstration conducted by Mrs. Marthe Harmon, Regional Home Economist for the Lone Star Gas Company of Abilene with twenty women attending the meeting in the office of Mrs. Mary Y. Newberry, Jones County Home Demonstration Agent.

Mrs. Harmon had attractive and practical Christmas candies, cookies, cakes and breads cleverly wrapped for Christmas gifts. These foods were displayed on a red holiday table cloth. A tree was made of wire, which was sprayed gold and decorated with red and green ribbon and holly.

The home demonstration leaders who attended and will give the program in their own Home Demonstration Clubs were Mrs. Jim Arnett and Mrs. Walter Love of the Bluebonnet H. D. Club, Mrs. Hubert Sullivan and Mrs. A. D. Hill of the Noodle H. D. Club, Mrs. Paul Bradley, Louise Hudson and Mrs. Vernon Hudson of the Stith H. D. Club, Mrs. Clyde Chancey and Mrs. Ab Hunter Jr. of the Comper H. D. Club, Mrs. Dwayne Hartwick of the Sunshine H. D. Club, Mrs. R. M. Young and Mrs. E. G. Young of the Friendship H. D. Club, Mrs. Karl Bonneaux and Mrs. D. L. Butler of the Goodman H. D. Club, Mrs. H. A. Haynes and Mrs. Mack Doty of the Willow Creek H. D. Club and Mrs. G. W. Viers of the Avoca H. D. Club.

Mrs. F. S. Hodges of Abilene was a guest.

Blue Bird Girls Visit Santa Fe Station

The Wednesday afternoon Blue Bird girls visited the Santa Fe round house and passenger station last Wednesday after permission was obtained from Agent Weldon Johnson.

Jeff Strother, who is in charge of the round house and engines, took the fourteen girls for a ride on the diesel engine to the turn table. He showed them how the turn table is used to turn the engines before going back to the round house. The electric ice maker which makes ice for the different crews was also shown to the group.

In the depot, John Kent Jones showed the girls the telegraph key and how it is used. He also explained how the big Santa Fe clock is checked for accuracy every morning and how it is governed by the Naval observatory in Washington, D. C.

The girls also got to sound the big whistle on the engine before leaving.

The girls making the tour and thanking the employees for their courtesy are: Lana Acklin, Beverly Carter, Teresa Crowe, Peggy Farnsworth, Cheryl Irwin, Cynthia McMillan, Janice Miller, Janet Moran, Kim Neatherlin, Olga Rivera, Renee St. Clair, Judy Holden, Pauline Green and Terre Watson.

Adult leaders were Mmes. Howard Mehaffey, Doyle St. Clair and Charles Watson.

Sharon Wyatt Given Given Gift Tea November 3

Sharon Wyatt, bride-elect of Steve Stephens, was honored Tuesday evening, Nov. 3, with a bridal gift tea in the home of Mrs. James Simmons.

Guests were received by Mrs. Simmons and presented to the honoree; her mother, Mrs. J. D. Wyatt; mother of the prospective bridegroom, Mrs. Leona Stephens; the honoree's maternal grandmother, Mrs. O. G. Landers of Roby; and an aunt of the honoree, Mrs. W. L. Struble of Longworth.

Hostesses with Mrs. Simmons were Mmes. Loyd Burkhardt, A. A. Wade, R. D. Wade, Phil Smith, W. H. Hallmark, A. J. Winegar, Clifford Stuart, E. W. Ueckert, and Gus Young.

The table was centered with an arrangement of white gladioli in a silver container. Silver and china appointments were used.

Smiling Blue Birds Visit Phone Office

The Smiling Blue Birds visited the Telephone Company Tuesday afternoon, Nov. 3 and were shown through the business office by Mrs. Kenneth Riddle and the plant by J. B.

Gibson. The girls each received a Blue Book for telephone numbers.

Refreshments were served at the Hut by Mrs. Howard Mehaffey prior to the tour.

Those present were Rita Casey, Donna Early, Lynda Harris, Debbie Hix, Kimi Mehaffey, Vickie Ponder, Jackie Preiss, Rebecca Server, Kathy Smith, Debra St. Clair, Denise Tugwell, Lisa Walker, Sonja Williams, Mrs. David Casey, Mrs. Bill Early and Mrs. Charles Tugwell.

Mrs. Jack Lewis Honored with Baby Shower Recently

Mrs. Jack Lewis was honored with a baby gift shower Tuesday, Nov. 3, from 2 to 4 p.m. in the home of Mrs. A. J. Winegeart.

Those attending were Mmes. Veletta Hartley, Floyd Smith, I. D. Acklin, Bill Harrison, Wayne Hodnett, A. A. Wade, R. D. Wade, L. R. Browning, J. D. Wyatt, and Joe Carille.

Gifts were sent by Mmes. Bob Tegtart, H. R. Daniel, Sam Terrell, Elmer Terrell, Ruby Shira, Shirley Ward, Earl Crow, F. M. Crow, John O'Neal and Miss Buna Rountree.

Benjamin Franklin defined man as "a tool-making animal."

Twinkling Bluebirds Elect Leigh Ann Vaughan President

The Twinkling Bluebird group met Tuesday at the Camp Fire Hut and elected Leigh Ann Vaughan as president. Other officers elected were Connie Christian, vice president; Elaine Kelly, secretary; and Jeri Ann Waggoner reporter.

The girls made Thanksgiving turkeys and dried arrangements. They also planned a cookout on Nov. 17.

Others present were Thereas Hambright, Luann Shira, Marilyn Stewart, Mignon Williams, Georgia Ann Pruitt, Valinda Skaggs, Pamela Waggoner and Cynthia Witt.

Leaders are Mrs. Jerry Waggoner and Mrs. Parker Kelly. Guests were Suellen Waggoner and Elsie Kelly.

Mrs. R. E. Hambright is transportation sponsor.

Xi Gamma Pi To Meet Today

Members of Xi Gamma Pi Chapter, Beta Sigma Phi, will meet with Mrs. George Poe Thursday, (today).

The last meeting was with Mrs. Howard Mehaffey, Oct. 22, when Mrs. John C. Bryant pre-

sented the program on the "Sense of Hearing". Cake and coffee was served to nine members.

Stamford District W.S.C.S. to Meet In Throckmorton

The Stamford District meeting of the W. S. C. S., Methodist Churches, will be held in Throckmorton, Nov. 19. Registration begins at 9:30 a.m.

Luncheon will be served.

The principal speaker will be Miss Elizabeth Stinson, assistant professor in the Department of Religion, McMurry College, Abilene.

The theme is "One Witness and One World and My Responsibility."

BIRTHS

Kelly Denise is the new daughter of Mr. and Mrs. Bobby Hunt, 221 N. Central. She was born at 8:31 a.m. Nov. 4 and weighed 9 lbs. 9 oz.

Mr. and Mrs. Manuel Reyes of Swenson are parents of a girl, Isela, born at 7:35 a.m. Nov. 4 weighing 7 lbs. 2 oz.

Mr. and Mrs. Leovardo Gonzales, Gen. Del. Peacock, are parents of a son, Leovardo Jr., born Nov. 8, at 2:11 p.m. He weighed 7 lbs. 3 oz.

At least fourteen Texas streams are known as Hackberry Creek.

underwood

now offers the most complete line of office machines ever available from a single source

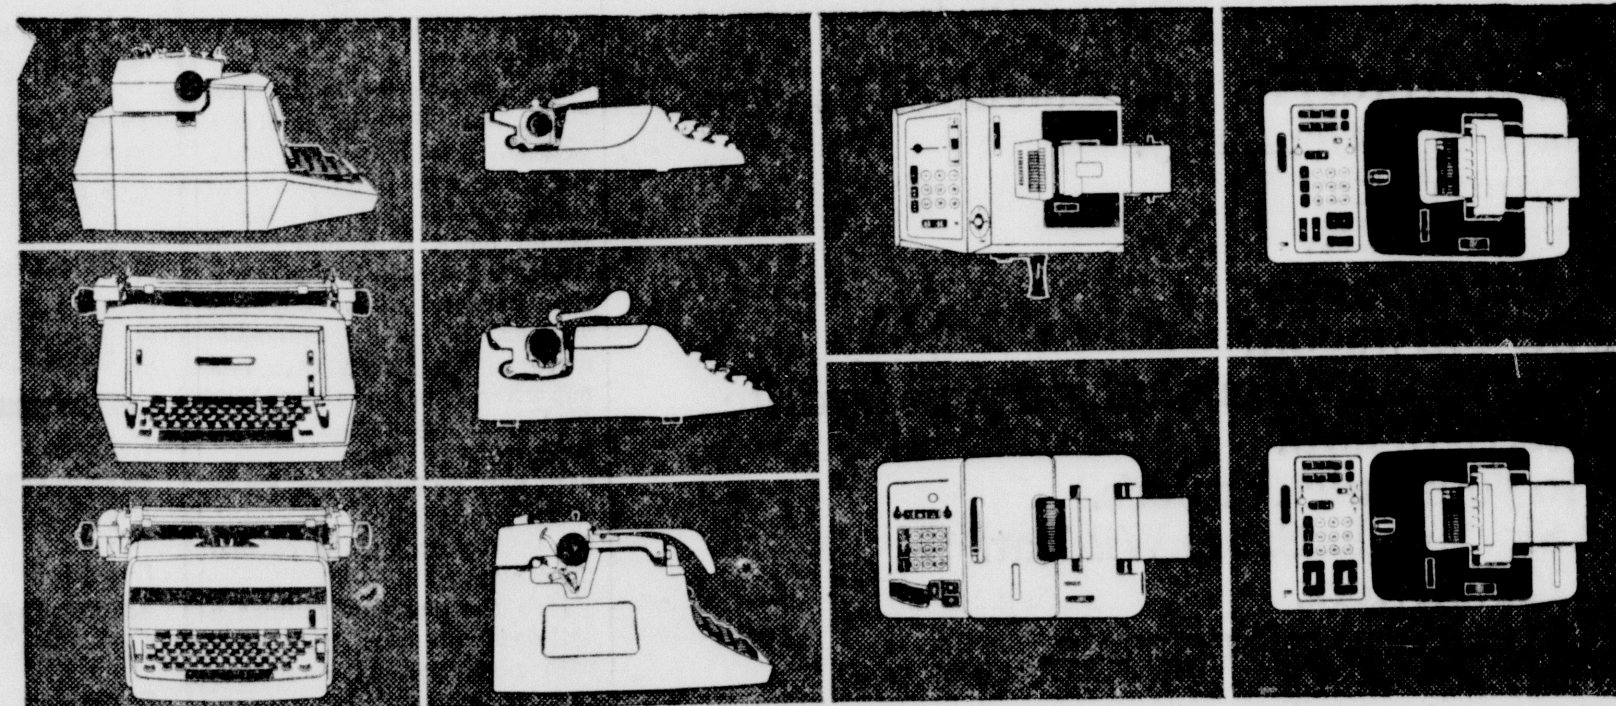

Underwood's wide range of portable, standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that the Underwood Representative is uniquely able to match the machine to the job, free from pressure to sell a machine that's too much for the job or too little.

For example, he has three dramatically new Underwood electric typewriters—to cover every typing requirement from the board chairman's most important correspondence to the shipping department's labels. But when typing demands don't justify an electric machine, he is able to provide a new Underwood standard typewriter that produces high-quality typing at exceptionally low cost.

So varied and versatile is the new Underwood line that no matter what your business or your office requirements, it's almost certain that one of Underwood's office machines shown below can save substantial sums of time and money for you.

Soon your Underwood Representative will call on your company. If office costs are your concern—he's your man.

If you'd like to see him immediately, telephone—or write to Underwood Corporation, One Park Avenue, New York 16, New York.

underwood RAPHAEL: An electric typewriter with automatic variable spacing, polyethylene carbon ribbon and many advanced features.

underwood FORUM: An electric typewriter with standard letter-spacing and both polyethylene carbon and fabric ribbons.

underwood SCRIPTOR: A fully electric typewriter with fabric ribbon for general-purpose typing.

underwood-olivetti LETTERA 22: A super-lightweight portable with important big-typewriter features.

underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features, yet easily portable. Full-size keyboard.

underwood TOUCH-MASTER FIVE: A standard typewriter of exceptional lightness of touch and unusual operating ease.

underwood-olivetti PRIMA 20: A high capacity 10-key hand adding machine with direct subtraction, credit balance, printed tape and other features not usually found in low-priced machines.

underwood-olivetti ELECTRO-SUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance, direct subtraction and automatic date. Also does multiplication, complex combined operations,

underwood-olivetti DIVISUMMA 24: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual re-entry of intermediate results in combined operations.

underwood-olivetti TETRACTYS: A dual-register version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and handles direct. Also does multiplication, complex combined operations,

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Gov. John Connally remains the dominant figure on the statehouse scene. He received over 1,800,000 votes in the general election, to lead the Democratic ticket.

An overwhelming majority of Texas voters liked the Demo ticket headed by native son Pres. Lyndon Baines Johnson.

Republicans were left with little to be encouraged about. However, GOP leaders insisted their party has "the zeal and spirit to make a fast comeback" and will begin the 1966 campaign immediately.

Statisticians for the two political parties have gone to work to explain the tremendous Democratic sweep of Texas. One logical explanation of Johnson's landslide was simply that 400,000 more Texans than ever before appeared at the polls. And apparently they were about all Democrats. Turnout was some 88 per cent of the qualified voters, also a new record in this century in Texas.

President Johnson received 64 per cent of the 2,700,000 Texas votes cast (to 36 per cent for Sen. Barry Goldwater). This represented the largest total in a presidential race since the late Franklin D. Roosevelt's 71 per cent margin for a fourth term in 1944.

Sen. Ralph Yarborough defeated GOP candidate George Bush by carrying nearly 56 per cent of the total. But Bush got more votes than any previous Texas Republican candidate for senator. The Houston oilman was the first GOP senate candidate to rack up more than a million votes.

Republicans, although better organized and financed than ever, lost every statewide and congressional race and all legislative races except one. GOP Frank Cahoon of Midland won. In the scramble the Republicans lost two congressmen, Bruce Alger of Dallas and Ed Foreman of Odessa, and nine members of the Texas Legislature.

Makeup of the Legislature in general remains conservative-moderate. Leadership will continue in the hands of Lt. Gov. Preston Smith and House Speaker Byron Tunnell. The latter is assured another term as speaker on strength of member pledges.

Texas voters also approved all three state constitutional amendments on the ballot.

In so doing they knocked legislative authority to transfer one per cent of the permanent school fund; authorized the Legislature to enact a program of medical aid to the aged not on welfare rolls but having difficulty paying their doctor bills; and required bills creating or substantially altering conservation and reclamation districts to be published in newspapers and cleared by Texas Water Commission.

LBJ AT HOME
President Johnson closed out his campaign and celebrated his

landslide victory in the Central Texas congressional district where he got his political start. Final speech of his nationwide vote hunt was made to 100,000 at an Austin rally in front of the State Capitol.

He voted at his old precinct in Johnson City on election day.

Johnson returned to Austin to make his first statement to the nation after the election—a call for American unity and a pledge to work for a government offering equal opportunities to all.

CHANGES

Some Texans learned to their dismay that if, they had moved from one county to another within the last six months, they lost their right to vote.

Others found that if they had moved from one precinct to another in the same county, but had failed to transfer their poll taxes by the Thursday before election, they had lost the right to vote.

These situations naturally led to talk of making changes in the law or of lawsuits to set aside the laws which cut off rights to vote on technicalities.

SALT WATER

District Judge Herman Jones heard three days of evidence as to whether the Texas Railroad Commission or the Texas Water Pollution Control Board should regulate the disposal of the salt water which comes to the surface in oil and gas wells.

Oilmen contend it should be wholly under the Railroad Commission. Users of surface and ground water contend that the new Pollution Control Board has the authority, and should exercise it, to prevent pollution.

After filing on briefs and oral arguments, Jones will reach a decision about Nov. 20.

COURT SPEAKS

National chain loan companies got the word they wanted from the Texas Supreme Court. It upheld lower court decisions that an effort by the Legislature to restrict non-Texas companies from opening new loan offices in Texas clearly was unconstitutional.

Small Texas firms had convinced the Legislature that loan licenses should be issued only to companies owned at least 51 per cent by Texans. But the court said that is not valid, under both state and federal constitutions.

On request of Upshur Rural Electric Cooperative and Southwestern Electric Power Company of Shreveport, Supreme Court dismissed appeals in a dispute involving construction of a \$9,000,000 rural power generating plant near Ore City in East Texas. Southwestern claimed the Upshur Coop, serving 10 North East Texas counties, had no authority to discontinue buying power and to start generating its own. All matters in dispute reportedly were settled.

An Austin district court refused the Houston House of To-

baeco's request for a temporary restraining order to retain its distributor's permit. But it set a Nov. 12 hearing on an injunction to keep the State Comptroller from revoking the permit. Firm's operator was charged with participating in cigarette tax stamp fraud scheme said to run into millions of dollars.

El Paso Electric Company is challenging constitutionality of state gross receipts tax on its energy sales in El Paso, Van Horn and Anthony. It seeks a

\$300,000 refund in appeal to Third Court of Civil Appeals here.

COLLEGE GROWTH

The 32 junior colleges which are supported in part by state money gained 16.7 per cent in enrollments this fall.

Growth of community colleges was even greater than state colleges and universities, which checked in 144,309 students, a gain of 9.4 per cent over last year.

New emphasis on the need for higher education, plus the

simple fact that the bumper "war baby crop" is reaching college age, accounts for growth.

Community colleges, to give vocational and technical courses, are a major part of the recommendations of the Governor's Committee on Education Beyond the High School. Need for at least a dozen new community colleges is indicated.

State Board of Insurance has delayed to January 1 a requirement that mutual aid and burial associations raise their rates

high enough to build reserves to meet expected demands on their policies, since the Nov. 1 date did not give the associations time to calculate necessary statistics.

State Board of Education heard revived protest against adoption of five biology books allegedly promoting atheism and three government texts.

Workmen's compensation insurance rates go up 1.4 per cent on December 1 as losses pushed up premium rates in most lines of business.

Federal Land Bank Sets Annual Meet In Haskell Dec. 9

The Directors of the Federal Land Bank Association of Haskell have announced that the Association Annual meeting of Stockholders will be held in Haskell on Wednesday, Dec. 9, at 2:00 p.m.

The Haskell Association serves a 4-county area of Haskell, Jones, Baylor and Knox Counties.

The Association has approximately 825 members and has an outstanding loan volume of approximately \$4,500,000.00.

The Association recently paid a 10% dividend to borrowers on stock owned as of September 1, 1964 amounting to \$24,000.00.

Two Directors will be elected for three year terms beginning January 1, 1965.

Directors and officers of the Association are:

O. G. Lewis, president, Rule; L. H. McBride, vice president, Hamlin; C. F. Upshaw, Stamford; M. J. McYarty, Seymour; John R. Watson Sr., Haskell; J. P. Jones, Munday; Joe Harper, manager, Haskell; Felix Copeland, ass't. manager, Seymour; Mrs. Ruby Smith, office assistant, Haskell.

Farmers to Benefit from New Tax Regulations According to Agent

By Kirby Clayton
Jones County Agent

"The 1964 income tax regulations will affect the taxable income of farmers for 1964," says county agent, Kirby Clayton. "Farmers can benefit from the 1964 changes if they meet certain qualifications."

The payment rate of taxes in 1964 is less than the 1963 rate for any given level of income. This means that a person having the same income in 1964 as he did in 1963 will pay less taxes. When the rate deduction is fully effective in 1965 all taxpayers' rate will be down an average 14 per cent.

The taxpayer has another option this year in declaring deductions. In 1964 a taxpayer may select to (1) itemize personal deductions; (2) use a standard deduction of ten percent not to exceed \$1000 or (3) use the minimum standard deduction. The minimum standard deduction is \$300 for a single tax payer or \$400 for a married couple filing jointly. An additional \$100 can be claimed for each dependent up to a maximum of \$1000. These deductions are in addition to the regular \$600 personal exemption. Most of the benefits from this tax change will go to families with incomes less than \$5000 per year.

Several tax changes will benefit farm people over 65 years of age. A taxpayer over 65 years of age can exclude a portion of the gain on the sale of his residence if the sale price exceeds \$20,000 and all of the gain if the sales price is less than \$20,000. This exclusion can be applied only once to the sale of the residence and the home must have been used as a residence for at least five of the last eight years preceding the sale.

Tax payers who are 65 years or over or who are blind are allowed an additional \$100 minimum standard deduction. This is in addition to the \$600 personal exemption.

All medical and drug expense are deductible for tax payers over 65 year of age in 1964. In past years only that portion of the medical and drug expenses above one per cent of the adjusted gross income was deductible.

Farmers with large fluctuating incomes may also benefit from the income average device specified in the new tax code. This new provision permits averaging of all types of income except capital gains, wagering gains and income from gifts and benefits. The averaging provision applies to that income given year that exceeds more than one third of the average income of the four previous years.

Investment credit claims on eligible items placed in service after December 31, 1963 will not be subtracted to obtain the depreciable base for that item. If property was placed in service before January 1, 1964 and the basis of which was reduced by the amount of the investment credit claimed, the basis of such property will need to be increased by the amount of

the investment credit taken. This will increase future depreciation and increase the rate of return on investment.

State and local taxes on cigarettes, tobacco, alcoholic beverages, license plates and drivers licenses are no longer allowed as deductions. Other state and local taxes not deductible are poll taxes and other miscellaneous sales taxes.

Expenses incurred in moving by a newly hired employee and unreimbursed moving expenses of existing employees are deductible. This deduction is allowed only if the distance moved by a new employee exceeds 20 miles or in the case of a unreimbursed employee the person must have been a full time employee in the general location to which he moved for 39 weeks during the year following his arrival, but not necessarily with the same employer. These are only a few of the changes in the 1964 Revenue Act. When utilized correctly, these changes may provide farmers with a lower tax liability than was experienced in 1963. Further information regarding these changes may be obtained from your local internal revenue office.

Councilman Speaks To Foursquare Sunday School

Bill Davis, Hamlin City Councilman, was guest speaker at the 9:45 a.m. Sunday School assembly of the Foursquare Gospel Church, Sunday, Nov. 8.

The Sunday School is in a national program, "Vote for Sunday School." Each Sunday a particular phase of emphasis is stressed. The theme Sunday was "Vote for Righteous Government."

Mr. Davis spoke on "The Value of the Sunday School in the Community." He said the Sunday School is one of the most important functions of the community and encouraged all parents to take their children to S. S. and attend with them. He said officials and leaders of our City are interested in Christian education because it makes for a better community and makes better citizens of all.

He also brought out that we vote for S. S. by attending. Mrs. L. L. Skaggs, S. S. superintendent, announced the topic for Sunday, Nov. 15, "Vote to Keep Our Freedom."

The local church joined with other Foursquare churches throughout the nation in participating in the special program.

Mr. and Mrs. A. E. Harkey, residents here since 1957, will be moving to Andrews where he has been transferred with Continental Oil Company. Mr. Harkey begins work there this week and Mrs. Harkey and Leslie will be moving later. The couple has two other daughters, Patricia, a freshman at West Texas State University, Canyon, and Mrs. Gerald (Darla) McCantles, who also lives at Canyon where her husband is attending W. T. S. U.

Funeral was held at 2 p.m. Saturday in Crescent Heights Baptist Church with the Rev. Wayne Allen, pastor, officiating. Burial was in Fairview Cemetery south of Tuxedo.

Born March 2, 1950 at Stamford, he lived with his family at Tuxedo until moving to Abilene in 1954. He was a member of the National Junior Honor Society and the Crescent Heights Baptist Church Sunday school. He was a ninth grade student.

Survivors other than his parents are two sisters, Mrs. Fred (Sandra) Michaelis of Bryan and Ruby Diane Pritchard of 1134 Shelton; one brother, Tony Lane of the home; his grandparents, Mrs. Murtle Carlton of Wichita, Kan., and Mrs. Travis Rousseau of Haskell and Clyde Pritchard of Route 2, Stamford.

An uncle, Marvin Carlton, and other relatives live here. Classmates were pallbearers.

Mr. and Mrs. T. P. Fincher and Mrs. P. S. Fincher of Fort Griffin, near Albany, visited with their daughter and granddaughter and family Mr. and Mrs. Bob Craig, Beth, Darrell and Ricky Thursday and Friday.

14 Year Old Former Tuxedo Resident Dies in Abilene

Eddie Carlton Pritchard, 14, died at 2 p.m. Friday on the grounds of Franklin Junior High School during a physical education class as he played touch football. He ran out for a pass, reached out for the ball and collapsed, witnesses said.

His parents, Mr. and Mrs. Edwin C. Pritchard of 1134 Shelton, said their son had had a history of heart trouble since early childhood. He went for periodical checkups on his condition, they said, but had their permission to take part in P. E. class.

Funeral was held at 2 p.m. Saturday in Crescent Heights Baptist Church with the Rev. Wayne Allen, pastor, officiating. Burial was in Fairview Cemetery south of Tuxedo.

Born March 2, 1950 at Stamford, he lived with his family at Tuxedo until moving to Abilene in 1954. He was a member of the National Junior Honor Society and the Crescent Heights Baptist Church Sunday school. He was a ninth grade student.

Aerial Effort Fails, Pipers Lose 22-2

In spite of a tremendous pass catching performance by Mike Shivers and a fine defensive effort by Larry Simpson, the Pipers fell before the onslaught of the Winters Blizzards here Friday night to bring their district record to 2-3, with one game to go.

Shivers caught nine passes for 135 yards to bring his season total up to 951 yards and eight touchdowns. Simpson, who is still handicapped by an early season knee injury made tackles all over the field as he lead the Piper defense.

With Robert Pearce not in running condition the Pipers had to rely on their air attack for their offense. The Pipers could manage only 35 yards on the ground but lost 80 yards trying to pass and came up with a net of -45.

Tommy Ferguson passed 23 times, completing 14 for 152 yards with one interception. Pearce completed three of 11 passes for 57 yards and Johnny Overman tried four with one

Hamlin	Winters

Score by quarters:	
HAMLIN	0 2 0 0 2
WINTERS	8 8 0 6 22

interception.

The Pipers took the opening kick off and moved the ball to the Winters 40 with the aid of 15 pard penalty against the Blizzards. A third down pass attempt put the Pipers back on their 37 from where they punted.

Winters opened their first scoring drive when they took over on their 34. Eleven plays later quarterback Denny Aldridge passed to wingback Van Spill for a 10 yard touchdown play. The same combination was good for the extra points.

The Pipers moved into Blizzards territory following the kickoff but 20 yards in penalties and a 19 yard loss put the Pipers back on their 27 from where Rupert Compton kicked. Hamlin drew another 15 yard penalty on the punt and the Blizzards started action on the Hamlin 35.

The Blizzards powered their way to the three in three plays from where Aldridge scored. Richard Puckett ran the two pointer in on a fake kick.

Following the kick off the Pipers tried nine consecutive passes, completing three in the series for a first down on the Blizzards 21. But three of the last four fell incomplete and the Blizzards took over on their 26.

A half the distance to the goal put the Blizzards back on their 12 from where Mike Patterson tried to get off a punt. When he thought it might be blocked he downed the ball in the end zone for a safety.

Following the kick off the

Pipers moved back down to the Winters 21 but still could not score and Winters quick kicked from their 38 and the two teams exchanged pass interceptions to finish out the first half. Mid-way in the third period the Blizzards drove from their 45 down to the Piper four where the Piper defense held and the Pipers took over on the five.

The Pipers completed five out of six passes to move the ball out to the 39 before two fell incomplete and Compton punted. The Blizzards returned it to their 43 and opened up their final scoring drive. They covered 57 yards in eight plays with Puckett passing to Spill for the final 23 yards.

Neither team could make much headway during the remainder of the game and the final score read Winters 22 and Hamlin 2.

Largest known land animal is a 12-ton, 13-foot-2-inch tall elephant bagged in Africa by J. J. Fenykovi.

PIPER PATTERN—

Entire School Preparing for Final Football Game with Anson

By Nancy Ford
Carolyn Reynolds
Marolyn Reynolds

Go! Fight! Win! The cry of victory is ringing through the halls of H.H.S. this week as the entire school is preparing diligently to beat Anson Friday night. The final game of the season always brings feelings of remorse to everyone.

The last game, the last time for some to represent Hamlin High, and the wish to do their very best are the thoughts of every senior football player, band member, pep squad member, and student body member. So, let's get out and beat one of our chief rivals, Anson, Friday night. It will be a tough job, but the Pipers can do it! Let's win!

—hhs—
"Our FFA Sweetheart for 1964-65 is Miss Nancy Ford." This announcement was made by Holman Jones, FFA president, Thursday, November 5, in

an assembly program. Nancy will represent the Hamlin FFA Chapter at the Jones County Fair and West Texas Fair as well as various other FFA events. A very active senior girl. Nancy is engaged in the following activities: secretary of the Senior class, head cheer leader, reporter of Student Council, vice president of FFA, and a member of National Honor Society.

—hhs—
Another senior girl was honored Friday night during half-time ceremonies, as Marolyn Reynolds was crowned band sweetheart by David Drummond, president of the band. Jack Townley, vice president, presented the other nominees with nosegays. Driving the cars carrying the girls onto the field were Holman Jones and Eddie Connally. Marolyn, secretary of the band, plays clarinet in the concert and marching band and

baritone saxophone in the stage band. At the present time, Marolyn is very active in other extracurricular activities: secretary of the Student Council, reporter of FFA, president of Library Club, and secretary of the National Honor Society.

—hhs—
The Pied Pipers Band will travel to San Angelo, Saturday to compete in U. I. L. Marching Contest. The band has been working strenuously for this contest, as a first in marching and inspection contest will be a prerequisite toward a sweepstakes band.

—hhs—
In an FFA Meeting Monday night the following Green Hands were raised to the Chapter Farmer Degree: Gaylon Moore, Robert Parramore, Tommy Ferguson, Jimmy Hawkins, Jim Bonds, Billy Cooper, Randy Smith, Charles Stanford, Bobby White, John Poe, and Larry McCoy. The results of the winners of the Trick or Treat Candy sales were announced. Winning first place and \$5 was Keith Bundas; second place and

\$3 was Billy Cooper; and third place and \$1 was Pryor Smith.

Attend Open House

Mrs. W. B. Britton and Opal Smith of Bishop's Flowers spent Sunday in Fort Worth attending openhouse and Christmas showing of the Fort Worth Floral Company. Christmas designs were made by Tommy Schulze and Joe Herrin, both of Fort Worth.

While in Fort Worth, Mrs. Britton visited her 90 year old aunt who is hospitalized with a broken hip.

A Baptist layman formerly of Hamlin and now of Abilene, Tate May, was elected to the board of trustees for Hamlin-Simmons University, Abilene, at the Baptist General Convention of Texas meeting in Corpus Christi, Nov. 3-5.

FAIRVIEW NEWS

By MRS. ELMER JOINER

If there ever was such a thing as perfect weather, we have been having it recently, we think every day will surely be the last, since old Jack Frost is just lurking around the corner. The wheat is all up that has been sown, just about the prettiest color green you ever saw, giving a promise of some thing to come another year. As usual, for West Texas, rain is needed.

We are sorry to re-report that Mr. Joe Ford is in the hospital in Hamlin, with a severe case of sinus. As of Sunday night, he is feeling some better.

Mrs. Fred Rosenbaum is spending some time in Pampa, with her children, Mr. and Mrs. Joe R. Rosenbaum, as Mrs. Rosenbaum had surgery last week. Mrs. Fred is going to help them out.

Mrs. Bill Newland failed to get to church yesterday, although she started. At the railroad, three cars were involved in a wreck, hers being the back one, and her brakes failed to hold. We understand that no one was injured, just shook up and scared, with damage to the cars. It all resulted from two cars ramming a stopped one, and as we said hers was the third and back one, and her brakes failed to work.

Mr. and Mrs. Winslow Gray made a trip to the Plains over the week end, visiting.

Mrs. Woodrow Goodwin and Mrs. Elmer Joiner went to Abilene last Tuesday afternoon, to visit Mrs. Lois Hampton.

Mrs. Mary Sue Henry, Rule, and Mr. and Mrs. Clois Henry and children, San Angelo, were Saturday guests of the Henrys.

Funeral services were held Saturday afternoon for Eddie Prichard, 14 year old son of Edwin Prichard, of Abilene, who died of a heart attack at school Friday. Eddie was the grandson of Mrs. Myrtle Carlton, who now lives in Kansas.

His mother was the former L. Nell Carlton, who passed away in December, 1951, when Eddie was almost two years old. Mrs. Elbert Fomby is an aunt.

Visitors of the Wainwright families were, Mr. and Mrs. John Brockman, of Throckmorton. Mrs. Brockman is to be remembered as the former Gladys Wainwright. They lived for years in the country, out of Throckmorton, but have recently moved into town at that place.

After having suffered much with his back, we understand that Joe Bonds Jr., is in the Abilene Hospital, scheduled for back surgery. We failed to learn any details, but do know how to sympathize, for barely missed the same thing myself once upon a time.

Mr. and Mrs. Flavil Holmes are driving a new Impala Chevrolet.

Mr. and Mrs. Elmer Joiner went to Anson, Sunday afternoon, to see Mr. and Mrs. Hap

Neinda Philosopher Has Suggestion for Keeping Nation from Drifting Toward Thrift

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route 1 has a novel slant on the economy this week.

Dear editor: I didn't want to bring this up during the campaign as it wasn't irrelevant enough to classify as an issue, but now that the election is over and the country can settle down to important things I can get around to discussing it.

According to a newspaper item I've been saving for three

Ray. Mrs. Ray spent almost a week in the Anson Hospital, undergoing tests, but was feeling some better, having learned that she did not have gall bladder trouble, therefore would not have surgery. The Ray's son, Wayne, was at home from Fort Worth, where he is teaching school, this being his first year in that work. School teachers are just in the family, as the Ray's son-in-law, Lee Allen Ash, is also a teacher in Lubbock.

Mrs. Kay Leverett and girls, visited Friday morning, with Mrs. Woodrow Goodwin. They all raided Mrs. Henry's turnip patch.

Mr. and Mrs. David Higgins, and sons, Abilene, ate supper with her parents, Mr. and Mrs. George Wainwright and Jummy, Friday night.

Linda Goodwin had several of her friends come spend Friday night with her, they were Jeanne Young, Ryenna Sanderlin and Betty Daniels. Saturday morning they all went to Tuxedo community where they and other friends of Sue Roldy, surprised her with a birthday party.

Sunday will be the Sunday for the Fairview church to visit the Holiday Lodge, home for senior citizens, in Hamlin. We are all looking forward to going and hoping to bring a little pleasure to the residents.

Just a little report on the progress of the Goodwin's new home, the outside is all finished, looks ready to move in but now comes all the slow work inside. They hope to be in by Christmas.

If you don't know watches — know your jeweler!

Before buying any watch ask a watch expert!

Few people know how a watch operates, or "what makes it tick." It is best to leave this knowledge to experts — just as you depend on your doctor or lawyer for professional advice.

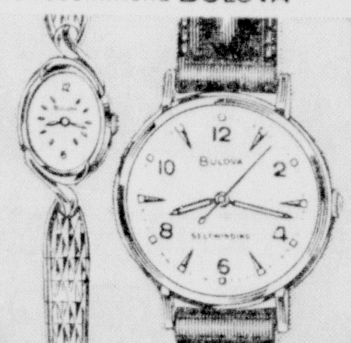

Our Watch Experts will help you select your next watch — and insure that you get an accurate, dependable, quality timepiece — one you can wear or give with pride!

As watch specialists, we have the latest selection of quality watches. We are always ready to advise and serve you... at no obligation, of course.

weeks now, economists have hailed as good news the discovery that the people during the third quarter of this year resumed their normal habits of spending.

During the second quarter the experts had detected a dangerous drift toward thrift and this had them worried. During that period people were saving over 8 per cent of their take-home pay, whereas in the third quarter they got back to saving only 7 per cent, with the possibility of going a little lower, what with Christmas coming on and all.

As I understand this theory, the economy is geared to a steady pace of producing and selling, and a jump in saving means a drop in buying, followed by a slump in producing. In

other words, a penny saved is a wheel stopped.

I have not gone into this theory thoroughly, but I am willing to practice it, provided there are some built-in safeguards to protect a man's reputation.

For example, say right now I'm a little hard-pressed for cash, and you could say it with out indulging in campaign talk, and as a result have cut down on my spending. Now I don't want people, unaware of the situation, saying, "Look at him, not spending much these days. Probably saving his money. What's he trying to do, wreck the economy?"

Now the last thing I'd want to do is wreck the economy, therefore it seems to me the government ought to have a

special fund to tide people over when, with the help of expensive families and short-sighted credit managers, they've cut down on their spending.

Any time a man's saving goes above 7 per cent of his income, the government should nip it in the bud and step in with a subsidy to bring it back down to the safe, national level, and keep the wheels turning. I never was a man who liked to shirk his duty.

Your respectfully,
J. A.

Mrs. Joe Simpson is in Georgetown with her father, Lott L. Shell, 80, who is quite ill in a hospital there. Mr. Shell was injured in an automobile accident Nov. 4 but a heart condition has developed causing him to be hospitalized for a longer period.

California is one of the leading turkey-producing states in the nation.

IT'S NEW!

EPP

*Equal Payment Plan

Budget minded? Aren't we all? Now you can know every month just what your electric service bill will be. West Texas Utilities Co. has a new plan for residential customers... a new Equal Payment Plan. They will estimate the amount of electric service you will use in the next year and divide it into 12 equal even-dollar payments. This estimate is based on your past electric service usage, or in the case of a new customer, on similar accounts.

To keep the payments balanced, your account is reviewed monthly and yearly. If your actual metered electric usage differs materially from the estimate... due to a new major appliance or unusual conditions... you are notified that a change, up or down, in your monthly payments is needed. You may join at any time. The Equal Payment Plan Year ends with your 12th monthly payment. If at the end of the EPP year you have used more, or less, than the estimated amount, your 12th monthly payment will be increased or decreased to balance the account. Call or visit your WTU office... ask for complete details of the Equal Payment Plan now.
